TREMCLAD RUST PAINT

799
qt.

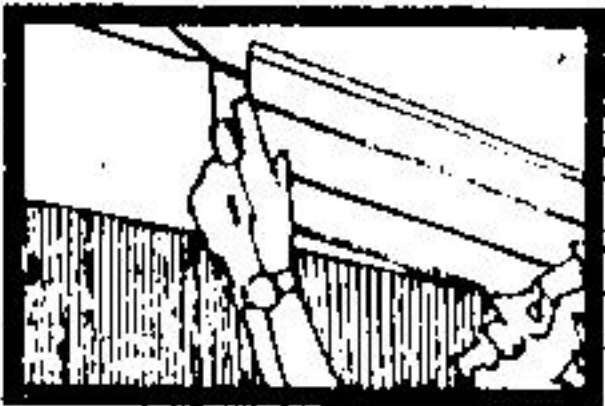

Special formula inhibits rust on metal surfaces, old or new. No primer needed on most applications, also resists moisture and fading. Comes in attractive colours.

The main tools you'll need to install ThermaR are an ordinary hammer and saw. Simply saw ThermaR into the length you need and nail into place.

Hunter Douglas Soffit & Fascia... the beauty of it all is that it ends maintenance chores for years!
