

GDHS girls field hockey crowned Halton champs

Another Halton championship was attained for Georgetown last Thursday when the senior girls' field hockey team won three games to win the Halton field hockey title.

The junior team unfortunately lost two games straight.

The first game of the elimination rounds had the Rebels pitted against L.B. Pearson in a game the players considered the best they had ever played. The game was won by Georgetown by a score of 1-0, with the only goal being scored with four seconds left in overtime by Elaine Hughes.

The seniors controlled the ball most of the game and kept it in L.B. Pearson's end but they were unable to score due to the wet, muddy playing field.

After a bye in the schedule, the seniors won their second semi-final game by a score of 2-0. Deane Jones is credited with two goals and Elaine Hughes with the other.

The finals were won by the Rebels by default because the Lord Elgin team showed up one hour late. When they returned Georgetown offered to play two fifteen minute halves to be sports-person-like.

In the half hour game both Julie Fournier and Deane Jones scored two goals each and Elaine Hughes added one to round out the scoring to a 2-0 win.

Donna Sedore, throughout the entire day was hot scored upon and recorded another shutout.

A member of the team commented that the seniors played better that day than they had all year. The games were played in a mixture of wind and wet snow.

The coaches also noted that the passing skills shown

were excellent.

The Halton Peels will be held today (Wednesday) at Shell Park in Burlington and the first and second place teams are eligible to compete at the OFSAA (provincial) finals.
