Royal City Realty Limited

Home of the Week

BUILT TO LAST!

What more can we offer? A practical home with elegance. Built of enduring stone and brick, this quality brick home has over 3,500 sq. ft. of well planned living space and could easily contain two sets of living quarters (one for the in-laws). Four spacious bedrooms. The 3 bathrooms are finished in fine Italian ceramic tile. The main bathroom features a rare tile of deep sapphire blue. Exquisite!

From the 20 ft. entrance foyer enter the double glass doors to a luxuriant Mediterranean design living room with a massive wood burning fireplace, a large formal dining room with its own kitchen for convenient entertaining.

After an informal meal in the lower level kitchen, you'll love to curl up and relax in the family room. Put some logs on the fire, turn on the television and enjoy! There's even a bedroom or playroom and 4 piece bath close by for the kids. Central air conditioning for summer months.

Situated on 1 1/2 Acres with a variety of evergreen and fruit trees. It is conveniently close to Georgetown. Designed for today's living and priced at yesterday's costs. Asking \$147,900. Please call Pearl Kerby at Royal City Realty Ltd. 877-5296 or Home 877-3342.
