

United Fire Safety host Depew Saints

By L. THIBAUT
Herald Special

A visit by the Minor Pee Wee "Saints" from Depew (just outside Buffalo) provided a very enjoyable weekend for the boys and parents of Georgetown's United Fire Safety Minor Pee Wees.

In the first of two games, on Saturday night, the teams played to a 2-2 tie. The American players were then billeted with the local boys, most of whom went "trick or treating" and quickly became good friends.

From all reports, most parents also enjoyed various festivities. A brunch for all the families on Sunday morning organized by the Georgetown parents provided a further opportunity for swapping hockey stories.

The boys then played a second game on Sunday afternoon and despite the fast spirited play, the outcome was another tie 1-1. The low score was testimony to the fine netminding by Steve Eastwood for the local team and Dean Sarago for Depew.

The equality of the score in both games not only reflected the fact that both teams were evenly matched, but also seemed a fitting outcome for this type of friendly international competition.

All in all it was a good educational experience for the boys and a return weekend is planned in Depew in December.

Competing in the Ontario public schools' cross country championships, boys and girls from Georgetown's public and separate schools combined their efforts to win four first and two second place finishes in six races. The Burlington race last Saturday had 143 runners from Georgetown.

The team of Michael Cosgrove (8th), Steve Brown (12th), John Cruise (13th) and Gary Robinson (14th) finished first in the Mite Boys category.

Also crowned champions were the Tyke Boys consisting of team members Chris Stoddart (4th), Eddie Powers (6th), Cameron Hermann (7th), Andrew Hoddinott (11th). In the Atom Girls division

the team came first with the following runners pacing their opponents: Allison Irvine (1st), Melissa Morey (3rd), Jenny Melville (8th), Robin Fitzpatrick (10th).

The Atom Boys also went to work in upholding Georgetown as a "cross country power", completing the course in first place. The boys were: Darren Boudreau (2nd), Brent Brass (4th), Jimmy Clarke (7th), and Jeff Amato (10th).

TYKE GIRLS
The Tyke Girls team were second as Darnell Moore was eighth and Rhonda Ellard was 21st. Tara Bouskill 4th and Jill Lusby 13th.

The Mite Girls finished second with the following runners performing well: Andrea Bouskill (5th), Kim

Collison (6th), Meagan Lusby (8th), Joanna Miller (4th), Tiffany Moore (11th), Nicole Remedios (17th).

The Tyke Boys team had Mark Lorito finishing 21st while Steve Alchin was 45th. The Atom Boys completed the course in the following order: Darren Boudreau (2nd), Brendon Cleary (21st) and Greg Clarke (40th).

The Atom Girls did well with their runners placing in the following order: Melissa Morey (3rd), Robin Fitzpatrick (11th), Cindy Kavanagh (14th), Terri Bomasuit (61st) and Jeannette Clarke (64th).

The only individual winner was Allison Irvine of Centennial who added the Ontario championship to her many other accomplishments.

Jenny Gallagher (Georgetown sweater on the centre right) and teammate Allison Irvine set the pace for the Atom girls at the start of the Ontario public schools cross country championships. Jenny later pulled up Jamie and

finished down in the standings but Allison went on to complete the course in first place, against some of the best runners in Ontario.

North Halton curling

By PAT McLEOD
Herald Special

Things are really moving at North Halton these days. All the curling sections are into their regular schedule now.

This weekend saw the first in-club bonspiel. On Saturday, the Men's Bonspiel sponsored by MacPherson's Esso was won by Warren Micklethwait and his team of Mark Perregé, Ken Tazman and Jeff Wood. Second place went to the three man team of George Wild, Tony de Hueck and Rolie Bradley. Congratulations to all.

Sunday was Curl Canada Clinic day. There was a terrific turnout from the Junior section and Novice curlers from all the other sections also had a respectable showing.

Fred Temple from the Ontario Curling Association, otherwise known as O.C.A. and Peggy Darmody from our own club gave demonstrations of the flatfooted delivery and sweeping techniques.

It was a great day with films, demonstrations and on ice practice of what was learned. Thanks to Fred and Peggy and our club instructors who helped us out on the ice. They were Julie White, Mary Black, Norma Wilson and Greta Lamb. The clinic would never have been so great without them.

The Juniors game of a week ago was cancelled due to a burst pipe which flooded ice sheets 2, 3 and 4.

This week their Sunday afternoon game had to be rescheduled for 7 p.m., because of the Curl Canada Clinic. Let's hope this coming Sunday sees everything back to normal for them.

BATTLE OF SEXES
Coming up on Nov. 7 is the Battle of the Sexes Bonspiel. Novelty teams and individual entries are all welcome. The last time I saw the sign-up sheet in the lounge, it looked almost full.

If you are interested, better sign up soon. This is one of the most fun events of the whole year.

The ladies are also having a Bonspiel on Sat. Nov. 14. It is the annual Glad Robinson Bonspiel and ladies from all sections are invited.

This is a daytime event with lunch and morning coffee included in the \$7 price. There will be two draws each consisting of 2 eight end games, with the Glad Robinson Trophy presented to the winning team.

We especially want all the new curlers to come out and see for themselves how much fun a Bonspiel can be.

That's all for now folks. Good curling and see you on the ice.

Cool heads for Midgets

Georgetown Sunny Acre Major Midgets are proving that keeping cool heads and playing good solid hockey goes a long way towards winning hockey games.

In their last three contests, Georgetown has emerged the victor with wins over Brampton, Ancaster and Streetsville.

The Streetsville game was played in Georgetown on Oct. 29. Sunny Acres took the lead at 8:51 of the first period with a goal by Paul Burroughs on a pass from Greg Robertson.

Before the period ended Georgetown had scored again, this time by Jay Barwell assisted by Greg Robertson.

The second and third period saw goals for Georgetown going to Glen Baker and Greg Robertson. Mike Stone, Howie Oram and George Osborne picked up assists. Streetsville's only goal was scored with only 30 seconds left in the game.

Mike McNiven played an outstanding game in goal for Sunny Acres.

The team currently has a eight win, two loss record.
