Taylor gives all he's got

Continued from Page B1

One incentive perhaps for those remaining with the Geminis is that coach Switzer has been named the Southwestern Ontario scout for the Sudbury Wolves A team. He feels the duties won't affect his coaching duties and he sees things now beginning to fall into place for the team, but stresses more time is needed to mould the team.

Captain Bill Taylor continues to impress the coach. "He (Taylor) gives all he's got all the time. He works and works and works," the coach said.

TIED MILTON
 Against Milton last Friday night the Geminis tied their opponents 5-5. Rob Vale showed his worth to the team by scoring the first and last goals for the Geminis while assisting on one power play goal by Mike McMenemy. The Gems were down 1-0 at the end of the first period, but they stormed back to a 3-3 tie at the end of the second period. Both Milton and Georgetown scored twice in the final period.

Guy Cormier connected for two goals, one a short-handed effort in the second period, the other coming from teammates Bob Dean and Mike McMenemy in the third period. McMenemy collected three assists in the game while Cormier had two.

Against Burlington last Tuesday the Geminis were burned 10-2 as the Cougars came alive in the third period to blast five goals past Georgetown.

Penalties seemed to hurt the team as five of the Cougar goals came from power play opportunities.

After the first period the score was 3-1 for Burlington as Bob Dean from Mark Hamilton and Lance Doucette gave Georgetown their only goal.

Burlington added two more goals in the second period while Georgetown countered on an unassisted effort by Guy Cormier. Goalkeepers Mike Steer and Steve Sullivan stopped 36 shots between them during the game.
