

Scouters plan for '82: movement's 75th year

The first Georgetown Beavers, based in St. John's United Church, saw eleven new members invested Oct. 21. Signing on for some busy dam-building and plenty of fun were (front row, left to right) Bruce Davison, Stephen Walsh, Andrew Crabbe, Ian Anderson, (middle row) Sean Goodwill, Stewart Thom, Bruce Ryan, Kevin Taylor, (back row) James Burt, "Reco" Scott McCallum, Kevin Young and James Young.

The regular monthly meeting of North Halton District Scouters was held in the Limehouse Memorial Hall Oct. 21 with Mark Rowe presiding and close to 70 in attendance.

The meeting got off to a good start with a get-acquainted game. This was followed by a prayer led by Scoutmaster Rowe.

A highlight of the evening was a presentation of Fall Nature Lore by Gord Douglas, President of North Halton District Council.

District Commissioner John Sharples reminded all leaders to fill out the form for Home Hospitality Scout and Guide Week will be observed from Feb. 21 to 28, 1982. Feb. 21 is the starting date of the 75th Anniversary of Scouting, which continues until July, 1983, when the World Jamboree is held in Alberta.

Clint Crowell outlined a design competition for a crest for the 75th Anniversary open to all members registered in the movement, including Group Committee members. The contest closes Dec. 1 so all sections were reminded to get their design in on time.

During Scout-Guide Week, a display of arts and crafts will be in the new Cultural Centre as recommended by Al Johnson and Gord Douglas.

The Leaders were reminded about the Regional Conference to be held Jan. 23 at Sheridan College in Oakville. Contact Bob Carlaw, provincial Field Executive.

The Sections divided up into their groups with the Beavers discussing the Winter Carnival.

Cubs will be having a Craft Workshop Nov. 28, for first-year cubs to be held in St. George's Hall. There'll be a Winter Hike on Jan. 9 from Speyside to Limehouse.

Scouts are having a Winter Olympic Camp with the date to be set. A reminder for the Remembrance Day parade Nov. 8 with full uniform.

Fourth Georgetown Rovers and Skip Jim Basinger were in attendance and will become the district Water Safety Committee.

The December meeting will be in the form of a social to be held Dec. 5.

As well as recruiting eleven new Beavers, the first Georgetown group at St. John's invested a new leader at their family night Oct. 21. Ron Hiseaman - to be known henceforth as "Hawkeye" - received warm greetings from Brenda Lee ("Bubbles", at left) and Jennifer Kluga ("Tic Tac").

Limehouse Scouting - back bigger and better

By ELAINE HANNAH Herald Special

It's nice to know that every section in Limehouse Scouting is either as big as last year or bigger.

The Beavers have 25 boys with the four leaders they had last year - Glenda Benton, Sheila Foster, Brenda Osborne and Connie Burt. All of the new Beavers have been invested and the Colony went on a hike Oct. 17.

The Cubs have 23 registered but are sorry to have lost Kevin McClean, who moved to Stayner. The pack started out early in September with a nature competition day and followed up later in the month with a tour of Halsey's Originals in Limehouse.

Six of the new Cubs were invested Oct. 21 - Robbie Karn, David Lawrence, Jamie Dewsnap, Ronnie Batchelor, Trevor Newberry and Jason Williams. Thirteen of the boys turned out to take their apples around the community on Apple Day. The Cubs again have five leaders - Elaine Hannah, Robert and Lee Foster, Guy Teller and Lorna Thompson. Chris Pouw has earned his team player and gardener badges.

The Scouts have 18 boys this year under Dennis White, John Tanas and John Grace. The boys helped with Apple Day in Georgetown along with the Georgetown Scouts. This past weekend they camped out in the cold and snow and had a

great time.

Dick Rock has eight Venturers this year and they're continuing to work on their kayaks. The first one should soon be finished. The Venturers went camping two weeks ago and also planned and attended the camp for the Scouts last weekend.

The October Group Committee meeting was held at Foster's home with 15 people

present. Plans for a Christmas concert in December and possibly a mini-sale were discussed. Renovations and improvements to the Scout Hut were again planned and a report to be brought back to the next meeting in November.

The craft and bake sale Oct. 10 was a success in spite of a small crowd. April Campbell of Erin won the quilt made by
