

## Candy Peewees miss win

Georgetown's Candy Productions Peewees were in Fiesheron last Saturday to compete in an eight-team, one-day tournament. Although the team had a win and a loss the day was somewhat of a disappointment when the loss came when a win was essential.

Against Stayner in the first game, the team played sound hockey and came away with a 6-0 win. Craig Nicolucci and Chuck Peebles netted two goals apiece to set the pace offensively. Both Rob Cooper and Jimmy Manning had a goal and an assist with Mike Ross and Rich Percival picking up an assist each. Defensively Scott Duggan had a strong game on the blue line with Sean Milton and Garry Butwell sharing in the shutout.

In the second contest against Walkerton defensive lapses early in the game led to a couple of breakaway goals against Georgetown who found themselves behind 4-1 by the end of the first period. The unassisted goal by Rob Cooper was to be all the offense the Candy Company employees could manage.

In the middle stanza after a penalty call, Walkerton scored two shorthanded goals by their star player, his third and fourth of the game, to put a win beyond the reach of Georgetown. The boys returned to their usual good hockey for the second half of the game but the score remained 8-1.

## Tier II Novices

The Tier II Novices were at home this week with Orangeville the visitors. After three periods of end-to-end hockey, both clubs had to settle for a scoreless tie.

The game did feature some exciting plays, with Peter Lee failing to score on a third period breakaway for Georgetown. Dusly Lane and Brad Tutt shared in the shutout for the home team and were awarded game pucks for their fine play. Greg Dobbin and Nick Kilpin also played well for Georgetown.

The Novices now have an even record with a win, a loss and a tie in their three starts to date.

## Tier II Bantams

Saturday saw the Orangeville Tier II Bantams here to play the Georgetown Armbr Transport Bantams.

On their way to a 4-0 win the visitors had a goal in each of the first two periods before adding another pair in the third. Two problems hampered Georgetown's performance according to coach Bob Stapleton.

Penalties at crucial times and a failure to get the puck in the enemy net. The truckers have but seven goals in four starts being shutout twice thus far.

The team will be away in Burlington next week hoping to break their three game losing string.

## NHSC loses at home

It was exciting, come-from-behind hockey for the North Halton Sports Camp novice rep squad, but the home club just couldn't quite catch up to visiting Brampton Saturday, losing the game 6-5.

Brampton rocketed through the first period, picking up four of their six goals within that brief, 20-minute segment. But three minutes into the second period, North Halton's Adam Hagen finally poked one through the posts with teammate Jason Smith getting the assists.

Following a response from Brampton 30 seconds later, North Halton's Adam Hillis tallied for the first two goals of his hat-trick, the first one unassisted while second was organized by Ryan Ward. Brampton scored its sixth goal before the second period buzzer sounded.

Hillis scored his third goal of the game about seven minutes into the final period, followed two minutes later with a fine effort from teammate Jason Smith to give the Georgetown
