The Georgetown Fireflies Car Rally was held Oct. 4 with nine families being represented. It was a beautiful Sunday afternoon for a ride through the countryside to admire the lovely autumn colors, especially in the Forks of the Credit area.

Sue and Eb Bloomfield were responsible for the course and it proved to be a tricky one for some: a couple of families got lost and one family never crossed the finish line.

Coffee and doughnuts were enjoyed at the Bloomfield's residence in Erin at the completion of the run. The winners of the Jim's Steering trophy were the Anderson family. Second prize was won by the Harrison family and closest mileage prize was won by the Hastings family.

The Trillium Travellers held their Octoberfest camping weekend Oct. 16 at Holiday Beach, New Hamburg. Six families of Fireflies enjoyed the activities by participating in lawn darts, horse shoes, the euchre tournament and darts. Sue Bloomfield was the over all winner at darts.

The children enthusiastically joined in on all the children's games and each one was a winner. Saturday night supper of Octoberfest sausage and sauerkraut served by the Trillium Travellers was delicious. The Fireflies enjoyed a roaring campfire and many good laughs before attending the Saturday night dance in the pavilion. It seems that everyone still enjoys a good polka.

The election of officers took place at the Oct. 20 general meeting. The newly elected officers for 1982 are as follows:

President: Joan and Murray Harrison; Vice President: Sally and Dave Caldwell; Secretary: Jean and Gerry Getty; Treasurer: Helen and Bill Anderson; Program Committee: Jeanette and Hal Ridley, Diane and Stu Hesse, Ev and Herb Fredrickson; Social Committee: Mary and Larry Hornby, Marg and Ted Hewitt, Jean and Gerry Getty; Campsite Committee: Sue and Eb Bloomfield, Hermina and Jim Staddon; Publicity: Lorna and Steve Thompson; Phoning Committee: Lois and Hilton Bachelor, Marilyn and Dave Hastings, Hermina and Jim Staddon; 50-50 Draw and Christmas Draw: Elsie and J. D. Hewitt.

An "Old English Pub Nite"

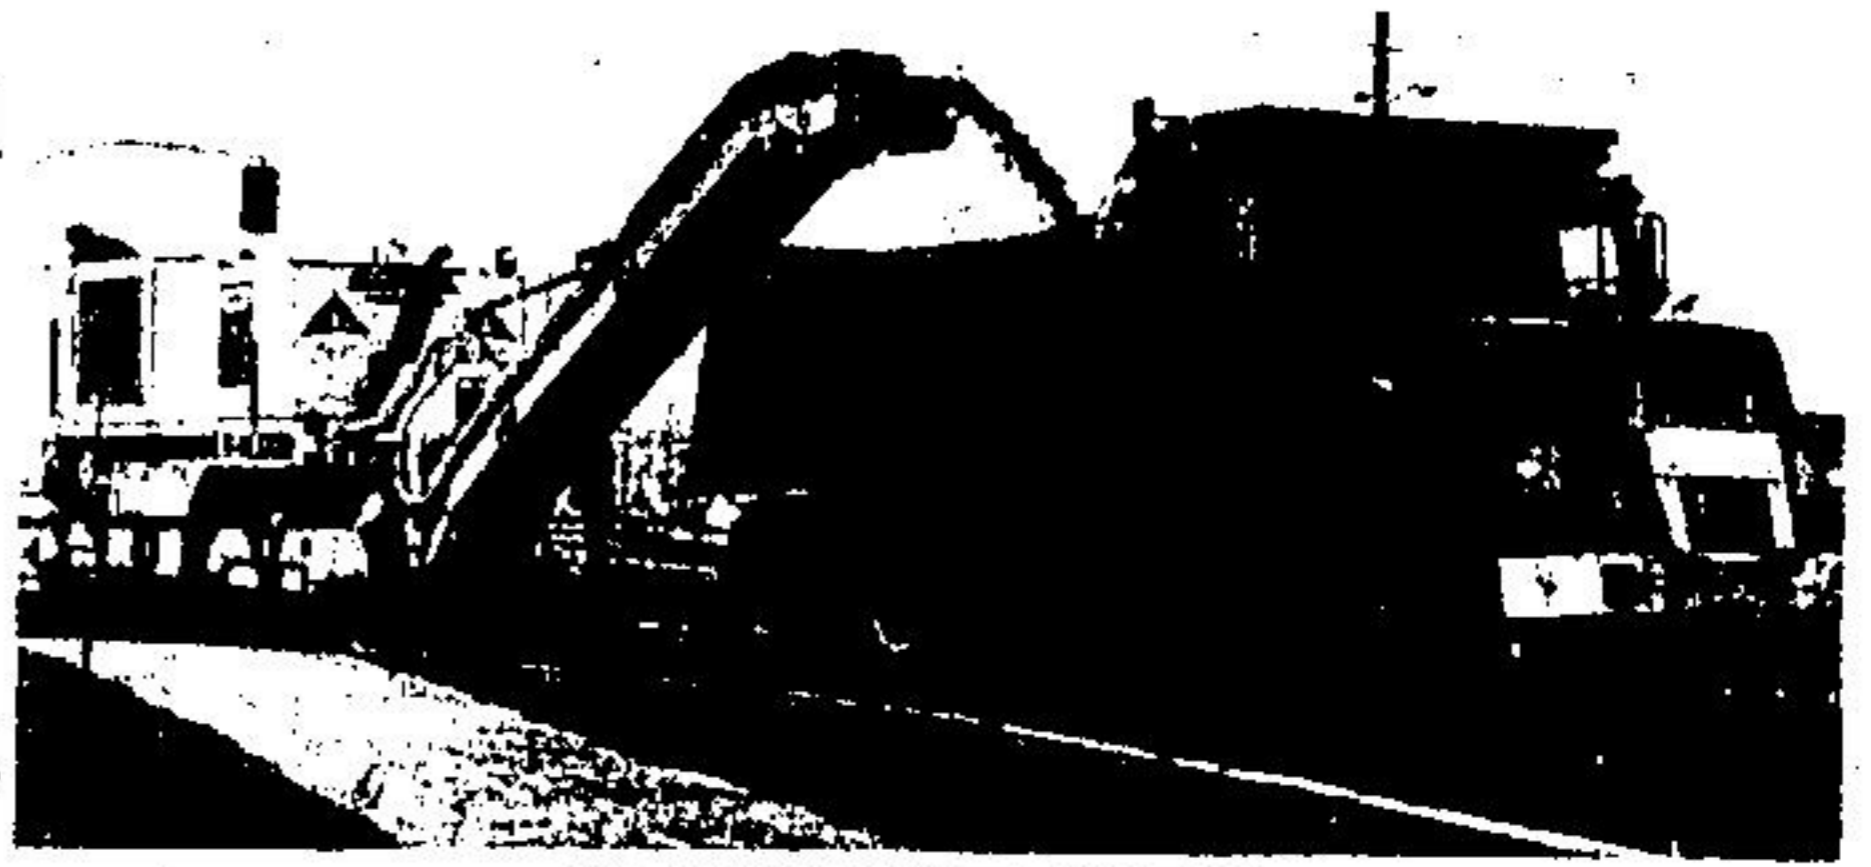

was the theme of the Fall dance at the Ballinasad community hall Oct. 24. The walls were decorated with Coats of Arms depicting Firefly family names and everyone enjoyed the lively music supplied by the disc jockey "Boots". A lovely buffet lunch of English style meat pies, baked potatoes and mushy peas topped off a most enjoyable evening of fun and frolic.

A tip of the hat for a job well done goes to everyone who helped organize the dance and make the evening such a smashing success.

The next annual meeting will be held on Tuesday November 17th at 8:00 p.m. in the Canada Trust Building. Anyone interested in camping is welcome.

Local grads at WLU

Three Georgetown students were among the 400 graduated by Wilfrid Laurier University Nov. 1 at a convocation highlighted by an inspiring speech from Mabel Krug of Kitchener, hailed as the "champion of volunteers". Presented with an honorary doctorate by university chancellor and Ontario lieutenant-governor John Aird, Mrs. Krug urged the students to also share their time and talent in volunteer work. Local grads include Susan Barrow, Valerie Hamilton and Diane Wagner, all of whom received their general Bachelor of Arts degrees.

HARVEST TIME

Asphalt loaves aren't likely to appear on your breakfast table as a result of the work this interesting machine is doing on Guelph Street in Georgetown. It's called an asphalt miller and is evening out the road surface by shaving a layer or two of asphalt off before the final top coat is laid. The work is all part of the general reconstruction and remodelling of the highway between Mountainview Road and Sinclair Avenue to the east.

Got any special recipes this year?

Christmas is traditionally a season when the family cook - whether it's a visiting grandparent or Mrs. Claus herself - spends more time than usual in the kitchen cooking and baking special treats for those timely get-togethers. The Herald is again going to help local chefs make their preparations with its annual Christmas cookbook, to be published as a special supplement to the Wednesday, Dec. 2 issue. If you have any favorite seasonal recipes you'd like to share with other Halton Hills gourmets, why not jot them down and drop them off or mail them to The Herald, 45 Guelph St., Georgetown (L7G 3Z6). Please enclose your name and address, although they need not be published if that's your wish.
