

# YBA B-ball starting for kids

By PAT BURROUGHS  
YBA Program Director  
The popular YBA basketball program will be operating again this winter. The YBA program which is sponsored by the Georgetown YM-YWCA is a unique sports program in that it has a special philosophy built on the following basic concepts: participation, fun, fitness, basketball skills, teamwork.

fair play and volunteerism. YBA stresses participation so that every player on every team receives equal playing time. The program is organized so that the kids and the adult volunteers have fun. There is minimal emphasis placed on winning and in fact in the younger league, game scores

are not maintained. There will be YBA open house on December 3 at Centennial School where the children can register for the program. A special YBA film will be shown and refreshments will be served. Basketball will be available for parents and kids to have a fun game. Youngsters can

also sign up for YBA at the Y office. YBA will operate three leagues this year. Boys and girls in Grades 3, 4 and 5 will play Friday nights at St. Francis and youngsters in Grades 6, 7 and 8 will play at Gibbons on Thursday nights. High school students in

Grades 9 and 10 will play on Monday nights in Gym No. 3 at the Georgetown high school. Play will start the second week in January with three weeks of practice and team selection followed by 10 weeks of league games.
