FOR WINTER WORK OR PLAY . . .

HAZEN'S HAS IT!

With snow just around the corner, be sure you make the most out of winter with the proper equipment. Mr. Pomeroy plans to keep his fireplace burning bright which is why he headed straight for HAZEN'S display of Homelite chainsaws. Pete had no trouble finding the chainsaw to suit his needs and you won't either.

While Mr. Pomeroy checked over the displays, the Mrs. was busy having fun on one of the best snow-machines made. HAZEN'S is a loyal Kawasaki dealer because they know that people constantly want the best.

Whatever your winter pleasures are, be sure to stop in at HAZEN'S for the gift that's guaranteed to please.
