## The Roxton Heritage Collection . . .

Creating fine hand crafted furniture has been a tradition with Roxton since 1890, and a love and understanding of our Canadian Heritage is echoed in everything we produce.

Each piece whether solid maple or pine is made with great care. A room with Roxton furniture in it has "Personality Plus".

We hope Mr. and Mrs. Pomeroy will enjoy their Roxton furniture as much as the tens of thousands of Canadians before them.

Maybe we're romantics at heart, but at Roxton we believe in long lives and happy endings.
