The Stewarttown girls team placed fourth while Ecole Sacre-Coeur completed the day in fifth spot.

The Optimist Club would like to thank all who took part in the event, who coached, or just came to watch. ## Local Tier II novice squad drops two weekend games

By GARY LANE Herald Special NOVICE

The Georgetown Tier II Novices suffered again this week from a lack of scoring and dropped a pair of games.

Saturday in exhibition play our boys lost 5-0 to the home team in Acton. As in previous games they kept the score close early but Acton broke loose in the second half to earn the victory. Jason Wilkins and Jay Kerslake put in good efforts despite the loss.

In Chinguacousy Sunday, Georgetown came up empty once more this time losing 4-0. The team played much better according to coach John Bew with special mention to Jason Blair and Todd Butwell who skated well. Another bright spot for the Tier II team has been the play of goalie Dusty Lane who has a goals against average of 1.0 despite the team's lack of success in the win column.

## Liftech Atoms defeated

Monday Nov. 23 saw visiting Georgetown several goals behind before Jason Knight, assisted by Brian Leslie put the team on the scoreboard.

The game featured perhaps the best end to end action of the year with impossible saves being made by the Burlington goalie.

It was not until the third period that Mike Wilkins assisted by Robbie Boyle put the second goal into the net on a beautiful wrist shot.

Georgetown are now 3 and 3 on the season.
