## Centennial are Halton champs

The Halton Volleyball championships at E.C. Drury Friday Nov. 27 had two local teams from Georgetown claim the title.

Centennial's boys and girls teams were victorious after a round-robin tournament saw the Georgetown school emerge champions.

The standings after the round robin put the girls from Centennial in first place with Tecumseh second and E.J. James third. Centennial also led in the boys division with Pineland second and Montclair third.

In the championship round for the girls, Centennial lost

their first match against Tecumseh 15-10, but they rallied in the second to beat out their opponents 15-8. Game three saw Centennial behind 13-6, but some grim determination put them ahead 15-13 at the end of the match.

In the boys division in which Pineland was pitted against Centennial, the local Georgetown teammates defeated their opponents from Pineland in two straight matches, winning 15-7 and 16-14.

In the second game Centennial had to come from behind as Pineland was leading 14-8.

## The Schipper's are proud to announce their GRAND REOPENING

### of SKIPPER FISH AND CHIPS

Ed and Bettie Schipper are back in the fish and chip business at their old stand. Five years ago we sold the business in Georgetown Market Centre but are now back, with a new name for the store.

The name uses a variation of our own name to suggest an authority of the sea. Now called "Skipper Fish and Chips" the store re-opened this week opposite Cadet Cleaners.

As residents of the Town for the past 27 years, we hope to see many familiar faces.
