

Milton Flyers Junior B

Continued from page 6
 Ask the Flyers' GM Vern Gooding what his team's performance was like last year and he says, "terrible". That's probably the most apt description for the cellar-dwellers of the Central league last season. They won only four of 44 games.
 "We thought we had a rebuilding year last year," says Gooding. But it looks like the whole process will be repeated this year as only seven veterans are returning.
 There isn't one area that hasn't been re-assessed and filled. First there are two new goalies who "show a lot of promise." In Gooding's books, Paul Landry played for East York high school and Derrick Neelands is still midlevel age.
 Gooding still can't believe the team has no returning centres. They lost them all and one of the best replacements is 14-year-old Tim Pollen. Pollen will have help from three veteran forwards - Richard Griffiths on left wing and Bill Lynch and Duane Stark who both play on the right side.
 Milton may be doomed to the cellar again.

Tier 2 Pee wees tie against Terriers

Georgetown's Tier II PeeWees sponsored by Candy Company Productions played an entertaining 2-2 draw with the visiting Mississauga Terriers last week. Both teams entered the exhibition match with undefeated regular season records and both earned their first tie as a result of the game.
 Robin Cocks opened the scoring for the Candymen with a goal from Rob Cooper and Rob McGuigan but the 1-0 lead only held up for 25 seconds before Mississauga tied the score.
 With a second stanza goal the Terriers held a 2-1 margin going into the third before an unassisted goal from the stick of Jimmy Manning earned Georgetown the tie with only 3:02 showing on the clock.
 Coach Pat Coulson and his assistant Garry Knight along with manager Don Smith all expressed satisfaction with game's outcome and are looking forward to the return match in Mississauga.
