Lots of love, Santa

Dear Leigh,
Time is getting to be measurable for you, is it Leigh? Then you definitely are old enough to need a watch. Mrs. Claus could certainly use one too. She's always late waking me up in the morning. Actually, she thinks I work too hard this time of year and tries to give me a few minutes extra sleep in the morning. But Leigh, every minute counts now since we're getting so close to the big day.
Love, Santa
