*'I try to be good, -
but at my age it's tough!'*

Dear Santa Claus,
I hope you have a very, very nice Christmas. I hope all the girls and boys have been good. Is Scott going to get some gifts and is Jerry going to get lots of gifts? If I am going to get any presents, I would like to have a motor cross racing set.

Love, Santa

Dear Santa,
My name is Derek. I am 1 1/2 years old so mom is writing my letter for me. I try to be good but at my age it's tough. I think I would like a big car and a little wagon for my toys. I know mom will leave a treat for you when you visit.
Thank you Santa.
Love, Derek Nolan

Dear David,
Oh, I've been keeping track of who has been naughty and nice. I'm sure I have something in my sack for Scott and Jerry. I sure hope I can come up with a motor cross racing set. Have a very merry Christmas.
Santa

Dear Santa,
Thank you for the things that I got from Christmas last year. I'm happy that I got lots of presents and I like what I got. Santa, I want a remote control racing car for Christmas. How

Dear Derek,
I hope you thanked your mom for helping you write to me! I know it's tough to be good when you're just little, and maybe one-year olds have the toughest time of all, but keep on trying and soon you'll get the hang of it. I'll try and find a car and a wagon for you.
Merry Christmas, Santa

P.S. We will leave some carrot sticks for the reindeer to!

Dear Sarah,
You're quite a letter-writer, aren't you? I'm glad you could come to the parade. My friends in the Georgetown Lions Club always put on a great show when I come to town, and they also make sure I'm nice and warm with electric blankets

Dear Santa,
Can you give me a... Moncheche for Christmas. Please? I will give you a sandwich and karis for the reander.
Thank you.
Shannon Brown, Age 6
Noble Court, Georgetown

Dear Shannon,
I'm not sure if I know what a "Moncheche" is, but once again, I'm sure my little hard-working elves will come through. If they haven't heard of a toy, they look it up in their "Chitapeak" dictionary, which gives interpretations of all the things youngsters have a hard time saying! One way or another, Shannon, we'll find what you're looking for!

Dear Graham,
It's good to hear you love Santa, I love you too. I'm very happy that you liked your toys that I gave you last year. I'm sure if the elves have time they will make you a remote control car. I'm not too experienced in making them, but I like to drive them around the house myself.
Merry Christmas, Santa

Dear Santa,
Susie says that she would like a gumball machine, Tip-Toes baby and a tea set.
Thank you.

Dear Lindsay and Susie,
A lot of little children are going to visit Smurf Village this year, aren't they? I'll have to see what it's like there - it sounds interesting. Santa will try very hard to find all the things you two children want and sled them on down to Noble Court. See you then!
Love, Santa

Dear Santa Claus,
I wish you a Merry Christmas and a Happy New Year. I liked my presents that I got last year. How is Rudolph doing? I hope you are feeling good. I love you! Can I please have a typewriter for Christmas?
Love, Greg Dawson

Dear Santa,
Hi, we saw you and Mrs. Santa at the Parade. I hope you were not too cold. Thank you for all the gifts for last year. I have been an extra good girl this year. I've helped my mommy and daddy. Here are some gifts I would like - I know you have lots of people to give toys to so bring what you can. And Santa maybe you can bring some toys and food for the poor little kids all over the world.

Dear Greg,
Santa is feeling just fine. Rudolph, the last time I spoke with him, was as excited and cheerful as ever. I'm glad you liked the presents you got last year. You are probably a very talented boy if you want a typewriter. Gee, I get my
