

Major Pee wees

Two wins out of three games for the Pee Wees travelled to Flamboro on Dec. 15 to come out as winners 4-2. Goal scorers were Chiowitz, Bennett, Smith and Kennedy. Assists went to Fletcher, Herman, Chantler, Amato and Dunning. This was a penalty filled game with 52 minutes in penalties being handed out between the two teams. The game was a super effort by all and Georgetown passed the puck well.

Thursday Dec. 17 brought the arch rivals Milton to town. Milton defeated the home town 5-2.

Scorers in this game for Georgetown were Craig Chantler and Jeff Amato both being defencemen, assists went to Terry Dixon and Stephen Fletcher.

This was not one of the home town's better games. Better luck next time.

Saturday Dec. 19 the team travelled to Ancaster to again come out as winners. Picking up goals in this game were Chiowitz with two, one unassisted. Chantler assisted by Dixon and Zebecode and Dixon assisted by Chantler and Spiller. The score of this game was 4-3.

The McNally Construction - Georgetown Firefighter Major Atoms played Scrooge last week and refused to give up any points to their three opponents.

On Dec. 15 Georgetown squared off against Flamboro, in Flamboro, and came away with a tight 3-2 victory. The hosts chalked up a two goal lead before Adam

Bennett potted a shorthanded marker at 4:30 of the middle frame to put the Atoms on the scoreboard.

At 2:15 Brent Presswood set up Andrew Hoddinott for the tying tally.

In the third period, the teams were unable to ice a full squad for very long due to a multitude of penalties.

Adam Bennett's game winning shot just trickled over the goal line as the buzzer sounded to end the game.

Whenever Milton meets Georgetown the result is an exciting contest. So it was on Dec. 17 when Milton visited our Memorial Arena and were defeated 4-2.

The action was fast and furious throughout the game. After a scoreless first period, Kevin Roe opened the scoring with the help of Doug Kent and Chris McCarthy.

Milton tied it up at 1:27 of the second and took the lead on a deflection at 13:27 of the final frame.

The locals came back with three unanswered goals from the sticks of Travis Gardiner, Kevin Roe and Doug Kent to earn the win. Andrew Hoddinott assisted on two of

these markers and Doug Kent one.

Georgetown 14
Ancaster 4

The statisticians were kept very busy on Dec. 19 when Georgetown visited Ancaster and overwhelmed them 14-4. Ancaster took the lead at 9:08 of the first. But the Atoms then took control pouring in a dozen unanswered goals.

When the smoke cleared, the game sheet showed winger Doug Kent the top shooter with four goals and two assists. Next came Adam Bennett with a hat trick and an assist.

Alan Gray potted a pair and added one assist while Andrew Hoddinott registered one and three.

Tallying one and setting up two scoring plays were Kevin Roe and Jeremy Felce. Stuart Vogt and John Brooker accounted for the last two singles.

Chris Stoddart assisted on three and Doug McDermot and Travis Gardiner earned one assist each.

Snowshoeing is basically walking and most of us can do that. The difficulty of the trail or area of travel is the only restriction, and the choice of snowshoe design can help here.

Most of us can afford only one pair of "webs" and the selection must be done with care. Generally, it will be found the Modified Bearpaw which is the Bearpaw with a tail, is the best all round choice.

SIZE CHART

The accompanying size chart will assist in purchase and the styles pictured will better explain the shape of each. Harnesses come in many styles too but this is a matter for later experiment, and usually you will find a set of harness sold with the shoe.
