

SANTA'S MAILBAG

'A Land Rover for Scott - he likes to sit on things...'

from Barry Fraser, 7 Ewing Street, Georgetown I hope you get it.

Dear Barry,
What will you do with all those pencils? Write a novel and fill it with illustrations? I'll dig deep into my toy sack to find something for you, Barry, so don't worry. Have a good Christmas and don't eat too much Christmas baking.
Love, Santa

Dear Santa,
I've been a good boy this year.
Could you bring me a cement truck, game and a story book. I will leave you some cookies my grandmother made, a glass of milk.
Love, Nicholas DeForest Stewarttown 3 years old

Dear Santa,
Will you give my brother Justin a wind up dog, or a train, and give me a set of space Lego. I know I have won but please give me a nother set.

Christmas. Please let everyone who is ill be better for Christmas. Santa please let poor children get lovely presents and same with us. Santa I would like a Darcy Doll and three strawberry shortcake doll in my stocking, and something for my brother Mark. I love you Santa.
(from Leslie Dodson, R.R. 3, Georgetown Age 7)

Dear Bill,
What are you going to do with another set of Space Lego, Bill? Curious Elf wants to know. When he read your letter he wouldn't stop bothering me with questions about why you would be wanting another set. I told him you wanted another set because you wanted to have a set to share with your brother Justin. Was I right, Bill? Thanks for your letter, my boy, and we'll be dropping by soon.
Love, Santa

Dear Leslie,
What a wonderful little girl you are! Not only do you draw lovely Christmas pictures but you also write lovely Christmas letters. You're very thoughtful to remember the sick and the poor people in the world. Many people don't. Santa will try to make Christmas a happy time for everyone.
Love you lots, Santa

Dear Nicholas,
Have you noticed? You've got the same name I have, only people call me St. Nick sometimes. Don't peek at your presents before you open them (I know you probably will anyway) and tell your grandmother that she is the best cookie-maker I know - next to Mrs. Claus, of course.
Ho, ho, ho, Santa

Dear Santa,
My name is Marney. I would like a Golden Dream Barbie. I hope you are well. Would you like some beer and cookies on Christmas Eve?
Love Marney Harris 62 Park Avenue Georgetown, Ont.

Dear Marney,
I'll see what I can do about getting those gifts for you under the tree. It's funny you should mention beer and cookies, Marney. Mrs. Claus doesn't often let me drink and drive and the reindeer would complain about my breath, so may we'd better stick to milk this time, okay?
Love, Santa

Dear Santa,
I am five years this year and I have tried to be a good girl all year.
I hope this year Santa, you could bring me a Barbie Dream House and her furniture. I would also like a Crayola Caddy since I like to do a lot of drawings.

Dear Santa,
My name is Barry. I want a car wash and a pencil case and pencils and I want a set of 12 cars and a set of 3 paint by numbers for Christmas. Thank you.

I have a two year old brother named Scott, he would like a Land Rover since he likes sitting on things.
I hope you and your reindeers are well and I promise I will leave you out a snack again this year.

To Santa claws at the north pole.

We love you, Kelly and Scott MacDonald, 114 Kingham Road, Acton, Ontario.

Dear Kelly and Scott,
You made me laugh so hard I was afraid my tummy would jiggle out of my red suit, Kelly! I didn't know Scott likes to sit on things. Would he like to sit on my lap when I visit your house? Everybody at the North Pole is well and working hard. We're looking forward to visiting you.
Love, Santa
