

CLERGY COMMENT

REVIVAL:

Reach out as He passes

By Pastor ED BROUWER, Assistant Pastor and Pastor of Youth, Halton Gospel Temple

In the last months a cry has been heard for revival. What is revival?

Revival is nothing less than a new beginning of obedience to God. In the midst of revival you will find conviction, especially conviction of sin on the part of the Church. The foundations or footholds of sin will be broken up.

In a true revival, sins are brought out into a new light, making it hard to understand God's grace and patience with us. Christians will have their faith renewed. While some are in a backslidden state, they are blind to the condition of sinners. Their hearts are hard as rock.

The truths of the Bible are like but a dream. They admit it all to be true in their conscience and judgement; but their faith does not see it. But when they enter into revival, they no longer see "men as trees walking", but they see things in that strong light which renews the love of God in their hearts. They see clearly through the eyes of Christ.

This will lead them to labor zealously to bring others to Him. They will feel remorse that others do not love God. They will then set themselves to persuade their neighbors to give their hearts to Christ. Not only is the faith renewed during revival but so is the love toward mankind. A tender burning love for souls will fill their hearts. They will be in agony for individuals whom they want to see saved—friends, relatives, enemies.

Not only will they be urging them to give their hearts to God, but they will bring those souls before God, through much crying, beseeching God to have mercy on them, and save their souls from Hell. When the Churches are then awakened and reformed, the reformation and salvation of sinners will follow.

Hearts will be broken and changed. The hardest of human beings will be softened and reclaimed. Won't you allow revival to start in you? Reach out and touch the Savior, for He is passing your way.

Ashgrove

First month birthdays

By Mrs. JOHN BELBODDY, Herald Correspondent, 877-3182

By now the celebrations are all over and the tree discarded and the decorations taken down and new calendars hung up to start the New Year which is awaiting us. No one has used it yet, so let us all make it a happy 1982.

Over the Christmas Mr. and Mrs. Fred Nurse had their daughter, Doctor Adrienne Peacock from Fort St. John, B.C., and their son Stuart from Vancouver with them. Mr. and Mrs. John McNabb had their two daughters Lois from Ottawa and Marilyn from Guelph University and Mr. and Mrs. Paul Dermody of Toronto with her parents Mr. and Mrs. Ford

Wickson and family. Quite a lot of our folks have birthdays in this first month of '82. We might forget some names but we especially want to mention Mrs. Arthur Ruddle on the 19th and Mrs. J.M. Wickson on the 21st. To you all, we say Happy Birthday and may it be the brightest you have ever known.

Some may feel they put on a bit of weight over the holidays and will be out jogging on nice days.

I've never joined the joggers, 'cause when I watch them run, those pain-wracked faces make it clear, they are not having fun.

Though exercise is vital, and I'm told invigorating, I'll wait till something comes along, that's less excruciating.

CVCA 'classroom' is in maple bush

Herald Special Teachers interested in booking classes for the Maple Syrup Educational Program between March 16 and April 8—minibus school break week—should contact Credit Valley Conservation Authority Education Officer George Roberts at 877-9685 or 451-1615.

Two classes at a time can be accommodated in sessions at 10 a.m., 11:30 a.m. and 1 p.m. during the program at the Orangeville Reservoir Conservation Area.

Students involved take part in an audio-visual presentation, a guided tour of the sugar bush and a visit to the sugar shack for a taste of fresh made maple syrup and the opportunity to purchase maple

products to take home. This program takes place at the Orangeville Reservoir Conservation Area immediately east of Highway 10 at Orangeville.

Wedding plans have Norvalites busy

By KAY WILSON, Herald Correspondent

Several showers were held recently for Mrs. Jim Lebo, the former Mabel McCure, daughter of Mr. and Mrs. Hyatt McCure.

Mrs. Alan Horrop entertained at a miscellaneous shower for members of the Hyatt family and several other family friends. Co-hosting with their mother were Joan Barnes, Aileen Little, and Doreen Burt.

A Soap Box Contest was won by Eleanor Hyatt and Marilyn Guthrie. Four little folk, including Mrs. Lebo's niece Donna Harrison helped to carry the gifts to the bride. Also helping were Cheryl Burt, Theresa Guthrie and Mark Catton.

Mabel was assisted in opening her gifts by her sister, Nancy Harrison, of Mt. Albert. The bride thanked all for their thoughtfulness and invited everyone to their home in Calgary. A dessert lunch and social hour followed.

Ballinafad

Hall board meeting Sunday needs community's support

By WINNIFRED SMITH, Herald Correspondent, 877-2090

The Public Relations meeting of the W. I. was held at the home of Marg Jamieson.

President Reggie Slesoratis welcomed all and opened with a New Years' thought. The roll call was answered with "My Earliest Recollection of a W. I. meeting". During the business part of the meeting, a letter was read from the president of F.W.I.O.

Betty Koperdread and Helga Schwarz will be the leaders for the new 4-H Homemaking Club "Learn To Bake Bread". They will be attending training school towards the end of January. The 85th anniversary of the Women's Institute was discussed. It is to be in August, so further plans will be made at a future meeting.

The convener of public relations was unable to be present so the program was shared by different members. Current Events were given by Alma Sinclair. An interesting motto relating to the topic was given by Eileen McEnery.

The conveners present gave two-minute reports. Readings were given by Marg Jamieson and Ada Kirkwood. Last but not least, Lillie Gwen, told a story about a boy that she

knew who was born with deformed feet. At age five, he was given artificial feet. He could then wear shoes, ride a bicycle, and play with other children. It made him very happy.

There was a sale of news paper-wrapped articles, which sold for 50 cents. The money to be used for welfare. This was the first afternoon meeting of the season, so a dessert luncheon was served previously, at 1:30 before the meeting started. Grace McEnery assisted the hostess with serving lunch.

The Ballinafad Community Hall Board will hold its Annual meeting and Election this Sunday (Jan. 17) at 2:30 p.m. At this time, the Annual Report and financial statements will be presented by chairman John Loughnan and treasurer Dave Walker. Residents of the community are asked to support the Hall board in its endeavor to truly be represent-

ative of the various groups in the Ballinafad area. Cubes, Scouts, and Soccer are just three of the groups sponsored by the Hall. Parents, new residents, and generally all members of the community are urged to attend this meeting, not only to vote, but to voice their hopes, concerns, ideas and questions.

Anyone interested in serving on the Hall board is asked to call John Loughnan at 877-2438. Please show your support and appreciation by attending your Hall's annual meeting.

Decaffeinated When they make coffee at home, 16 percent of all coffee-drinkers use decaffeinated brands. In restaurants though, only 6 percent ask for caffeine-free coffee.

Carney sang several duets. Lunch was served and a social time enjoyed at both showers.

Get well wishes to Donnie Crawford who is recuperating after surgery for acute appendicitis in Peel Memorial Hospital, Brampton.

Couples Club of Norval United Church had a tour of the Bacardi Rum plant on Steeles Avenue. A film was shown of the different stages in processing.

Norval Women's Institute met at the home of Jean May last Thursday at 8 p.m. with Dorothy McLean presiding.

Marguerite Hunter read the minutes and the roll call was answered by naming a resolution you would like to see passed. Several expressed concern over the drugs that are prevalent in the schools, and wished something could be done to curb this habit.

Anne Wilson introduced guest speaker coun. Marilyn Serjeantson who brought the members up to date on the Act/Van and the services rendered. Many people who cannot get around any other way are making good use of this mode of transportation. Jean May thanked the

speaker and presented her with a small gift. Lunch was served by Jean Horrop and Marguerite Hunter and a social hour enjoyed.

Raymond and Darlene Clarke had their baby daughter, Angela Suzanne, baptized Sunday at St. Paul's Anglican Church, Norval by the Rev. Richard Ruggie.

St. Paul's family service on Christmas Eve had a full congregation and was conducted by the Rev. Donald Lee. The Rector, Rev. Ruggie, delivered the sermon.

A Twelfth Night Party was held at the home of Fred and Joanna Dobbin with 30 couples attending from the congregation.

Ron and Anne Starrett have just returned from a week's tour of Cuba. They found living conditions have improved for the average family. Lower class people have been given furnished apartments and all children go to school and wear shoes, since they found that diseases were spread through bare feet.

Restaurants in Cuba have a nice variety of food to choose

from. Farmers are starting to raise cattle and pigs, since the foot and mouth disease forced the slaughter of all animals. The people who drive cars,

have very old models, but the odd Lada is seen now and then. Ron and Anne reported a very interesting and enjoyable week.

A Home Of Your Own Here's an imposing two-storey home design which contains many conveniences in a spacious and logical arrangement as the impressive exterior suggests. The plan provides in excess of 2,100 square feet of finished floor area on two levels. Brick veneer and horizontal channel siding on the exterior, allied with large multi-panel formal windows, a glassed entryway and a large, developed porch, provides a visually interesting traditional exterior which is both durable and easily-maintained. The elevated, partitioned entry leads to a spacious reception, foyer and entrance storage area, from whence traffic moves naturally to the right and down into the large rectangular family living room. The living room features a raised-hearth, brick fireplace and a wide bay window, which latter could easily have a window seat installed for those with traditional decor tastes. The formal dining room is elevated two steps from the living room, and is further separated by optional screen wall. The dining room connects to the large family room-kitchen and has a sliding glass walk-through leading onto the rear balcony. The spacious family room-TV lounge features a second recessed fireplace and access to the rear balcony via sliding glass doors. The well-planned long U-shape kitchen has plentiful countertop work surfaces, abundant cupboard storage and a step-up to the breakfast room. The double-door peninsula fits out in a small bay window complementing the side-yard of the home. A grill range and vent hood divides the kitchen and family room. This could be converted to a casual eat-in breakfast counter, for those who prefer. A spacious laundry-closet complex and two-piece vanity bathroom are positioned centrally in all lower level areas; and contain a stacked washer-dryer, and the furnace and hot water tank, for ease of servicing and maintenance. The laundry-closet area connects to the side patio, and hence, to the double enclosed garage — thus serving as a mud room facility. The stairway to the full basement is positioned adjacent to the upper level stairs in the main reception foyer. Here is abundant space for the future development of additional accommodations, services and recreational facilities. All four bedrooms are positioned on the upper level. Each has ample closet storage facilities and good exposure for view and natural light. The spacious master suite has a three-piece ensuite bathroom with tub, a full walk-in closet and access to a rear-facing balcony via sliding glass walk-through. The main bathroom divides the vanity sink and linen storage closet from the tub and connects via convenient pocket door, for privacy convenience during morning rushes. Plans for design No. 81-21298 may be purchased either by the single set, at a cost of \$175.00 for the first set and \$75.00 for each additional set, or by the package. A five-set plan package, including the first set, is economically priced at \$100.00 and an eight-set package, also including the first set, is only \$220.00. Whichever method you choose, please include \$3.00 for postage and handling. Send for the current edition of Home Designs & Decor magazine, series 50, featuring imaginative decorating and home improvement ideas, plus 250 quality home plans of every type. Available for \$2.75 (\$2.00 plus .75c postage and handling). To order any of these home plans, please send cheque or money order, payable to the Home of the Week, c/o The Home of the Week, Ltd., 151 Cambridge Drive, Nepean, Ontario, K2H 1E7. The main bathroom divides the
