

Geminis run out of horses against Brampton

The Georgetown Junior B Geminis put out two spirited efforts over the past week, but their chances of catching the eighth place Acton Sabres were disappointed when they lost to Brampton and Richmond Hill while Acton won both their week's games.

Last Monday (Jan. 11) the Geminis were defeated 11-8 by Brampton after Georgetown had a 5-1 lead going into the second period. But because the team only had two lines they "ran out of horses," head coach Bob McCandless said.

For Rivy Kennedy it was a good night as he collected four goals, two of them were the only Gemini goals of the third period.

Kennedy scored the Gems first goal of the game, then Mike Corbley, Kerry Fry and Brad McMeekin found the mark to make the score 4-1 at the end of the period.

Mark Hamilton added another five minutes into the second period, but in the late stages of the period Brampton tallied three goals for a 5-4 result. Kennedy scored again but so did a Brampton player.

In the third period, the Gems ran out of wind as Brampton collected six goals.

GEORGETOWN vs RICHMOND HILLS
Power play goals seemed to be a factor in the Richmond Hill 8-0 win over the Gems last Sunday as five power play chances paid off in goals for the Dynes.

The Geminis goaltender Wayne Cowley played well, according to McCandless, as he stopped 58 shots during the night. Guy Cormier was back with the team and a breakaway attempt by him just failed to pay off with a goal.

Bob Dean wasn't with the team Sunday because of concussion Saturday while Ed Dwyer missed the Richmond Hill game complaining of a hurt leg.
