 With Supermarket Prices

METRIC SHOPPING IS HERE!
 Beginning in January, government regulations require that retail food scales convert to metric weighing. Until your store converts to metric weighing you will continue to purchase store weighed items by the imperial system. After conversion, food weighed in our stores will be sold in kilograms.
 One kilogram is approximately 2.2 pounds.
 If you require further information, pick up customer brochures in our stores or contact: A&P Consumer Consultant, Ruth Reynolds, P.O. Box 68, Station A, Toronto, Ontario, M5W 1A4.

Senior hockey girls blank Oakville

By SUE DUNNING
 Herald Special
 The Georgetown Senior Girls hockey team, (Order of the Royal Purple) with a strong two way effort, backed up by solid goaltending defeated their Oakville counterparts by a score of 3-0.

Georgetown got on the board at 5:01 of the first period as Liz Coates scored from Lisa Allen. The home-team held off their opponents by the consistent efforts of both the forward and defensive lines.

Laurie Sears, the youngest member on the Senior Girls played a strong defensive game. In the second period Elaine Hughes assisted by Martie Dunning fired a goal from the blue line to put Georgetown ahead by two goals.

The last period of the game saw many scoring opportunities for both teams, but Georgetown's unrelenting fortitude payed off as Lisa Allen assisted by Liz Coates found the net at the 7:12 mark.

Earning a well deserved shut out between the pipes was Linda Mitchell playing a super game.

Following next week's game the Senior Girls will be starting their playoff schedule as they host Burlington at the Georgetown Alcott arena on Sun. Feb. 7 at 12:00 p.m.
