

Back to back shutouts for Major Atoms

By JOHN FELCE
Herald Special

As league play moved closer to the end, the McNally Construction-Georgetown Firefighters Major Atoms earned impressive shutouts over both Ching and Burlington.

On Jan. 21 there was a lot of fast action as Ching and the locals faced off at Memorial Arena.

After a scoreless first period, Georgetown got on the scoreboard when Jeremy Felce fired home a rebound from in front of the net at 6:13. Stuart Vogt and John Brooker assisted on the play.

At 12:10 of the third Doug McDermott tipped in a Travis Gardiner pass from the side of the net. At 10:19 Adam Bennett maneuvered his way in from centre to register Georgetown's third marker.

The fourth scoring play was a backhander along the ice by Andrew Hoddnott at 9:10.

Stuart Vogt, Kevin Roe and Doug Kent helped set up the last two plays. Goalie Sean Cotton was very sharp in recording this shutout.

FAST ACTION
Fast action and good positional play described the game the next night in Burlington as Georgetown recorded an identical 4-0 win.

It was also a story of pairs as two players scored twice each.

Andrew Hoddnott surpris-

ed the Burlington netminder with a shot over the shoulder after just nine seconds into the game.

In the second period John Brooker poked in a loose puck at 7:04.

Two goals in the third period put the game out of reach for Burlington. Andrew Hoddnott connected on a goalmouth scramble at 8:16 and with just 40 sec. left John Brooker banged in his second of the contest.

Travis Gardiner set up two of these scoring plays. Alan Gray, Stuart Vogt, Kevin Roe and Jeremy Felce earned one assist each. Again Georgetown had sharp goaltending - this time by Curtis Green.

FROM BEHIND
Georgetown had to come from behind to tie Humber Valley on Saturday at the Long Branch Arena in an exhibition game.

Humber Valley took a three goal lead into the third period and threatened to shut the Atoms out. Georgetown could not cash in on their many opportunities until the final frame.

Goals by Adam Bennett at 9:15 and 3:50 (shorthanded) put the Atoms back into the game. Andrew Hoddnott tied the score with 15 seconds left on a goalmouth scramble.

The regular season ends on Thursday when the locals clash with Milton at 8:40 p.m.

Indoor soccer starting in town

INDOOR SOCCER
As mentioned in the Week-end Herald, additional gym times have been obtained for the Georgetown Youth Soccer Club and all interested persons can attend at the times and schools listed below.

Further information can be obtained from your last year's coach or the appropriate commissioner for your age group as indicated.

There is no charge for these gym sessions so long as we respect the school properties and the rules laid down by the school board.

shoes to be worn in the gym, no gym shoes that leave marks, and the gyms be left clean. There is no smoking allowed.

Sessions start on Jan. 28 and 27 and continue until the end of April.

There is a possibility that the girls may be invited to an indoor soccer tournament at the end of April, so we need to be prepared to send teams, if sufficient people are interested.

Sponge hockey on Saturday

The second sponge hockey tournament is scheduled to go for this coming weekend, according to organizer Frank Robertson.

Two weeks ago four teams participated in Halton Hills' first ever sponge hockey tournament. Last weekend a tournament was cancelled due to inclement weather conditions, said Robertson.

For this weekend's entry, the first eight teams with their registration fee will be accepted. The only equipment required for the sport, which is played like hockey, but without skates, are soft-soled footwear and a hockey stick.

For more information phone 846-0634 between the hours of 9 a.m. and 9 p.m.

Rep playoffs begin

As playoff hockey nears in Georgetown for the Support Group Rep teams, the Optimist Minor Panthers lead off with the first Georgetown home game as they take on Dundas Thursday Jan. 28.

The game, which is the first game of the qualifying round starts at 7 p.m. at Gordon Alcott arena. Spectators are welcome and appreciated by the team.

Trimble win

The Trimble rink wins the Muskoka International Borspiel. Lloyd and Joan Trimble with Al and Debbie Di Croce won the whole thing and copped the trophy.

Lloyd attributes his success to sleeping on a water bed in the honeymoon suite at the Star Motel. Congratulations team. Also competing in the event were Rich and Bev Eastwood with Bob and Theresa Smith.

Also borspieling this week was Norma Wilson and her team of June Russell, Theresa Smith and Charlotte Gain.

They were at Bayview for a two day borspiel. They won two and lost two and had a great time.

Bette Broomhead and her team of Ethel Murdy, Mary Kitley and Janet Dean attended the Senior Ladies Borspiel at Weston.

They won both their games and placed second overall. It was so close, less than one point separated them from the trophy.

North Halton's Mid Winter Borspiel started on Jan. 24 and continues throughout the week. Saturday Jan. 30 will see the finals and a dinner dance.

Coming up soon the Men's Invitational Borspiel on Sat. Feb. 6 and the Wee Lassies Borspiel on Sat. Feb. 13. There have been quite a few other teams out on borspiels in the past few weeks. The Business Girls and some of the men's teams have been out to other clubs, but, if they ever came back, I wouldn't know.

No one bothered to report it. Enough about those curlers who don't tell me what's happening. Thank you to those who do.
