Defenceman Jack Smith and goalie Wayne Wood

## Raiders sign two key players

The Georgetown Chrysler Raider Intermediate A hockey club announced the signing of two new recruits required for what they think will give them a shot at the Canadian Intermediate

championships. Jack Smith, a left shot defenceman, and goaltender Wayne Wood are the new Raiders. Management is hoping the pair can shore up any weaknesses from

Georgetown's defensive game. The Raiders tried to sign Wayne Wood last year, but because he was property of the Detroit Red Wings, it was

difficult to negotiate his player rights. **MVP PLAYER** Wood is a former MVP in the American League playoffs, leading his Adirondack

club to the championships. This year Wood has largely been played pickup hockey although he's been practicing with the NHL Oldtimers and he will still play some

games for them. Assistant coach Peter Sturgeon has been eyeing Wood at special practices to see if he would fit into the Raider team. Wood lives in Mississauga.

## Raiders play Tuesday night

The Georgetown Chrysler Raiders will play their rescheduled game against the Owen Sound Greys Tuesday Feb. 9 at 8 p.m. at Gordon Alcott, League Convenor Debbie Brown announced. The Owen Sound game against Georgetown Jan. 31 has yet to be rescheduled.

## Candy Co. sweep Burlington series

The Pee-wee Candy Men saw action this week in a home and away pair of games with Burlington (2). Georgetown not only won both games but swept their season's five game series with the determined minor pee-wee team from the south of Halton.

The Candy Man himself, John Candy of Second City Television fame, was in attendance here Saturday to see his team pull out a 3-1 win with a pair of last minute goals. Jimmy Manning and Craig Nicolucci had set up Mike

Ross to give Georgetown a 1-0 edge in the second period but Burlington managed to tie the count early in the third. Rob Cooper was the hero scoring the winner from Jason Bew with thirty-one seconds showing on the

clock. Seven seconds later Cooper sent Manning in with an insurance tally to salt away the win in exciting fashion. Monday night back in the lakeshore community defense was the story as the Candy Company skated to a 1-0 win. Along the blueline Chuck

Peebles, Scott Duggan, Dave Chatten, Rich Percival and James Xanthos who is playing for the ailing Sean Finn, played flawless defense. Garry Butwell had his usual steady game going all the way in the Candy cage to pick up another shutout. Team captain Rob Cooper scored the only goal of the contest after a nice end to end rush, his second winner in as many games.

Smith returns Jack Smith is an Allan Cup veteran from the 1970's with the Barrie Flyers. At age 34, Smith consider this his last year with Intermediate hockey. Smith retired from the Barrie Intermediate A Flyers Jan. 10, but the Raiders talked him into one last shot at winning a Canadian championship. Smith is a Barrie resident who works in Newmarket as a policeman.

## Novices struggle against Burlington

Coach John Bew's Tier II Novices stretched their winless string to twenty games with home and away losses this week to Burlington. In Burlington the final count stood at 10-0 while back at

Alcott the score stood at 14-2 by the end of the game. Burlington, the league's top club, showed why they are in that position as they completely dominated all aspects of the games with Georgetown rarely able to

move the puck past centre ice. One area where Burlington is admittedly weak is in the nets as their two goalies faced five shots in the two games allowing two goals while Dusty Lane and Brad

Burlington's disciplined and positional play taught the local Novices the value of teamwork and of a balanced attack which should be of value to the team in future games. Georgetown Chrysler goals were scored by Jason Blair and Jason Wilkins with assists earned by Jake Poulstrip, Nick Kilpin and Jay Kerslake. Jason Wilkins and Dusty Lane shared the 'player of the week' award for our Tier II's because of their good play.

**Sponge hockey** Sponge hockey will again be taking place this weekend at Norval Junction, weather permitting. Teams may register a place in the weekend tournament on a first come first served basis. For more information call 846-0634.
