

# Minor Atoms defeat Fort Erie

Georgetown Development Minor Atoms defeated a stubborn Fort Erie team and advanced to the next round of the Ontario playdowns.

Feb. 16  
Georgetown 4 - Fort Erie 1

Led by the strong goaltending of Shannon Finn and a close checking effort by every Georgetown player, the minor atoms came away with a 4-1 victory.

Scoring for Georgetown were Mark Lorio unassisted, Andy Pearce from Wes McCauley, Roddy Pasma from Mark Lorio and Mike Barnes, and then Mark Lorio added his second of the night before Fort Erie tallied their only goal.

Feb. 18  
Georgetown came out flat in Fort Erie and lost 4-2. Lacking the intensity, they displayed in previous games, Georgetown allowed Fort Erie to go ahead 2-0 in the first period.

Georgetown got one back when Mike Barnes scored from Wade Serjeantson and Wes McCauley.

In the second period, Fort Erie added a short handed goal and then scored again to make it 4-1.

In the third period Roddy Pasma scored on a pass from Mark Lorio to make it 4-2.

Georgetown 4 - Fort Erie 1

Georgetown opened strongly but were held off the goal sheet by good goaltending and misfortune.

Fort Erie scored the lone marker of the first period for a 1-0 lead.

Georgetown tied the score when Mark Lorio finished off a nifty passing play from Sean Gardner and Roddy Pasma.

In the third period the visitors ran into a string of penalties and Georgetown took advantage to score three goals and win the series. Andy Pearce scored the winning goal on a solo effort to make it 4-1.

BREAKAWAY  
Shannon Finn was called upon to stop a breakaway by Fort Erie before Roddy Pasma hit Mark Lorio with a long lead pass and streaked in to make it 2-1.

In the dying minutes Mike McElroy moved in on a pass from Wade Serjeantson and whistled a shot into the top corner.

The entire Georgetown team played an excellent checking game and were able to come away with the clinching win and thus move on to the next round.

## DRG Juveniles play tomorrow

The DRG West Insurance Juveniles started their playoff series against Stratford last Thursday and the first game went into overtime.

Georgetown emerged the winners in the 4-3 contest. Kevin Stewart and Brian Ward proved to be the clutch players in the game by scoring overtime tallies when the game ended at 2-2 and went into extra time.

But goaltender Mark Dodge was commended by his team for being "unbeatable in the first 10 minutes of overtime. Hackett and Cull scored the other Georgetown goals.

Stratford have a strong skating team, but Georgetown were able to skate with them all the way even though they only had 10 players.

Georgetown 3  
Stratford 4

In the second game of the Stratford series, it too went into overtime as Georgetown edged past their opponents 5-4. Bob Morrow scored the winning goal for the locals. Morrow also collected a hat trick in the game as Shane Lefebvre and Tom Cull collected singles.

With goalie Ben Beckett on the bench for an extra man with only 10 seconds left in the third period, Shane Lefebvre scored to put the game in overtime.

With three minutes left to play in overtime and Georgetown with a man short, Bob Morrow scored his third goal of the night.

"If the boys keep this up this team is going to be hard to beat," the coach said. The third game was at Stratford Monday. Fourth game returns to Georgetown Thursday at 7:45 p.m.

# 'I want to win' attitude overlooks teaching skills

By ALEX TOUGH  
Herald Special

The dismal showing by the Canadian Team in the World Cup Qualifying round in the Caribbean last year brought a swift reaction from Canadian and Ontario officials.

An on the spot report from Bob Bearpark, the OSA Technical Director, stated that the skill level showed up dimly in comparison with our opponents. Preparation and fitness were in our favour and no team lasted the pace better than the Canadians.

This was common agreement between the others in the group. Tony Taylor, the OSA provincial coach, also stated that this lack of basic skills was also a factor with the provincial teams, which, taken together with the "I know it all" attitude of Canadians in general proves our undoing.

If coaches at youth levels, house league (recreational) and rep (competitive) levels are totally imbued with "I want to win at all costs" attitudes and ignore, or are unable to teach skills, then there is little chance of players developing such skills for later years.

Our players will not be able to compete in the skill levels of our international competitors. It took the World Cup Qualifying Rounds to bring this home vividly to our provincial and national bodies.

**SHORT COACHES**

Our own youth soccer club is short of able and qualified coaches. This is not to say that we do not have some good ones who are not qualified. We are often put in the position of press ganging individuals into coaching teams, due to the registration numbers. This system is unfair on those who coach and those who play.

Suggestions have been made to limit registration — but to whom shall we limit registration? Whilst we have so many players registered, 1200 in '81, how many actually turn out to practices and games? There is a large, although accurately unknown, percentage of sign ups and don't show ups in our club at youth level.

Would it not be useful to know who the habitual absentees are so that we can put them all on one team and forget them, or simply refuse to register them the following year?

For the current year perhaps we should drop them from the official rosters after three unsubstantiated absences?

Back to coaching, however. The Peel Halton League will not accept any coach in 1983 who does not have the minimum coaching level certificate. This is enforcing a current by-law for the first time in history. It is an attempt to improve the coaching levels and skill levels of players. It is a step in the right direction.

The youth soccer club have sponsored, with the recreation dept., several clinics with varied success. Generally the programme is unplanned and there is no continuity towards upgrading. This is an area to look at in the future. Maybe our senior clubs would care to become involved a little more in this type of venture. After all, their players and officials of the future come from the youth movement.

The winter gyms are in full swing now and gearing towards the rep teams with the boys and coaches are looking at the turn out with a view to selecting their players. Players who are interested should contact their age group coach as soon as possible to let him know you are keen to try out — even if you are still involved in the hockey and cannot attend the gyms immediately.

A couple of the teams may go with the select team system this year having not had a good experience last year in the league. A year at select may make all the difference next year. Explanation of the select system will be made at the General Meeting of the youth soccer club on Thursday

25th at Cedarvale at 7:30 p.m. (amongst other items, e.g. budget and fees).

877-5373, G.D.H.S. 3, Sundays, 3:15 p.m.

The girls gym times may be had from Sally Hennessey, 877-7847, and the girls are looking at select teams also this year. The Peel Halton Association has sanctioned a select teams league in addition to the house league programme.

The concept is an interesting one and one in which I support and is a step towards intronking rep soccer for the girls — although I much prefer the way this league is to be formed in comparison with the boys league.

I believe the player registration system could be much simpler than the one proposed by the Association director for girls. More of this at the General Meeting.
