The Delrex Flag Football team is pleased to announce the signing of their first 1982 draft aquisition, Ike Inglis III joined the team after an excellent nine month preseason quarterbacking in the minors. His twin sister, Retta (seven pounds, four ounces), also signed on to bolster an aging cheerleader corps and claims to be 'very excited' about the upcoming season. Congratulations to Bob and Laurie from the Smoke Shop boys.

LEADLAY: Don & Colleen are pleased to announce the birth of their son, Joshua Davis, born Feb. 21, 1982 in North York General Hospital, weighing 7 lbs. 10 ozs. A welcomed little brother for Donna, Joel, Micah & Jessica. 1022b9m

MEMORIAMS

WRIGHT, Dorothy — In loving memory of our dear mother who passed away March 3, 1976.
Though her smile is gone forever and her hand we cannot touch,
Still we have so many memories of one we loved so much.
Her memory is our keepsake with which we'll never part,
God has her in his keeping,
We have her in our hearts.
— Sadly missed and lovingly remembered by Dennis and Joyce, Bob and Patti. 11148m

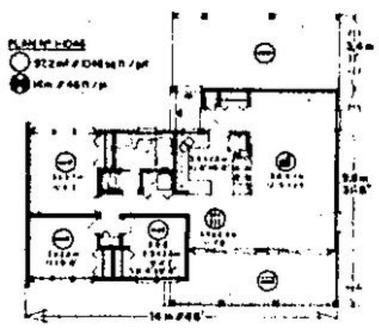
A Home Of Your Own



ECONOMICAL THREE-BEDROOM SECOND HOME IDEAL FOR RETIREMENT

Here's an attractive and economical-to-build three-bedroom leisure home which is best suited to the medium-to-wide frontage recreational building lot, and which provides in excess of 1,000 square feet of well-arranged finished floor area, all on one level. On-slab construction makes for rapid and economical home completion — definite advantages where building occurs in Canada's more remote recreational areas. The design would make an excellent spacious retirement home, as the interior floor plan and the mixed siding of the exterior provide for a low-maintenance and durable dwelling.

The elevated main entry leads into a concept reception foyer and outerwear storage area, from where no traffic moves directly forward into the large L-shape living-dining room combination. The spacious area features full-width sliding glass doors providing access to the wide, front-facing patio.

The U-shape kitchen is a functional alcove dividing the living and dining area. It boasts generous countertop work surfaces, ample cupboard storage facilities, and a logical work triangle configuration. A free-standing range island divides the kitchen and the living area. This feature could easily have a built-in snack-bar counter on the living room side, for convenient casual snacking or a rest bar.

All three bedrooms are positioned to the right of the floor plan and well away from the main living area for freedom from disturbance. Each has full-height windows for maximum view and abundant natural light, and spacious closet storage.

The master bedroom is three-piece with tub, and is separated from the conveniently-positioned laundry facility via space-saving pocket door.

A central utility core contains the furnace and hot water tank behind louvered bi-fold doors, for ease of access when servicing and maintenance is required.

A convenient carport, positioned to the rear of the plan, could be later developed into an enclosed garage and workshop, for greater security and protection against severe weather.

Plans for design No. 1-1946 may be purchased either by the single set, at a cost of $129.95 for the first set and $25.00 for each additional set, or by the package. A five-set plan package, including the first set, is economically priced at $180.00 and an eight-set package, also including the first set, is only $220.00.

Whichever method you choose, please include $3.00 for postage and handling. Ontario residents add 7% sales tax.

Send for the current edition of Select Home Designs' magazine, Cottage Country, series 81, featuring money-saving, do-it-yourself ideas and informative articles on the Canadian cottaging scene, plus 16 full-color pages of quality cottage plans for all seasons. Available for $2.50 ($1.75 plus 75c postage and handling).

To order any of these items please send cheque or money order, payable to the Home of the Week. Address to: Home of the Week, c/o The Halton Hills Herald, Unit 1, 151 Carlingview Drive, Rexdale, Ontario, M9W 5E7.
