

Liftech Atoms

Despite finishing regular series play in third place Georgetown Tier 2 Atoms were selected in a controversial decision to play Orangeville who ended the season in first place.

The series opened in Georgetown Saturday, March 6. The home team came out flying counting the first major forty seconds into the game. Jason Knight took the home with an assist going to Donny Guest. Orangeville countered with two goals before the first period ended. Georgetown fought back with a picture goal by Steven Sutherland at 7:19 of the middle period.

Set up by Jason Knight and Donny Guest, Steven threaded the defence and let go a wrist shot handcuffing the goaltender.

The tie breaker and final goal of the game went to Orangeville at 2:56 of the second period. Final score Liftech Atoms 2 - Orangeville 3.

On Sunday Georgetown travelled to Orangeville and again opened the scoring with Jason Knight potting a major with an assist by Steven Sutherland. With less than a minute remaining in the first period Orangeville evened the score and then after a scoreless middle frame Orangeville got the go ahead and deciding goal at 7:06 of the third period. Final score 2-1.

Goalie Paul Glass played all star calibre in both games keeping Liftech in both games. These two games were the best played by Georgetown all year featuring end to end action, exceptional defensive moves and top notch passing.
