

#### Letter from Karen

To the 38 families who billeted Bantam Hockey

On behalf of the Bantam Tournament Committee, I wish to thank you for your generosity in opening your homes to billet visiting bockey players during the week of March

Your support and hospitality certainly helped to make the 22nd Annual Tournament a success.

Yours in hockey, Karen Harrison

## U of T swimmer Rob Masson sets his strokes against the clock

It has been a year of changes for Georgetown's Rob Masson, a competitive swimmer formerly of the Etobicoke Swim club and now with the University of Toronto swim club.

Masson is living in Toronto and supporting himself by working in the city. He says that it is quite an adjustment to buy and cook food plus doing laundry.

Rob says his swimming hasn't been up to par for the entire year. He swam faster at the Nationals, but he didn't place better than the year before.

With a smaller swim club at the U of T. Rob says there isn't enough swimmers to compete against, so he competes against the clock. He does, however, have three coaches who work with the

Last March 17-20 Rob competed in a meet and was fourth in the 200 butterfly consolation finals, seventh in the 200 freestyle consolations, third in the 400 individual medley consolations and he won the 400 freestyle consolations. His time was the seventh fastest over-

After the 1981 season, Rob was selected to represent Canada at the World Student games, but he needed a visa and it was obtained too late for him to be eligible.

Last November Rob did some testing with the national awim team. Attached to electronic devices and strapped to a stationary apparatus. Rob was tested to see how his physiological build and heart-lung capacity matched up with other

swimmers. The testing results showed that Rob has one of the best bodies for swimming. He was listed as the second most capable swimmer for oxygen intake capacity and in the top five for lung capacity.

Rob says it's now just a matter of fighting the urge of

your mind telling you to stop - "I have to get over that." he

Rob plans for the coming year include competing in the trials to gain an entry on the Canadian team for the world championships in Equador.

He has been training three times a day, swimming plus other related exercises such as stair climbs.

# Georgetown Chrysler Novices take Silver Award

The Tier II Novices journeyed to Collingwood for their last tournament of the year, and came back with the Silver Award.

On the Saturday, the boys took part in the Parade of Teams. They felt very proud marching behind the big red and white Georgetown

The Mayor of Collingwood made mention of the Georgetown Raiders' win the night before and told the other teams to beware of the "Little Raiders".

In the final game against Bowmanville for the Sliver Award, Bowmanville came out fast and scored the first goal at 3:09. Undaunted the "Little Raiders" came back immediately with a goal by Scott "The Knee Biter" McQuigan from Doug "Blue Line" Crawford's assist at

The rest of the first period was very exciting with both teams playing "Stanley Cup" hockey. The second period saw the Georgetown boys putting it all together with precision passing and

ferocious checking, which resulted in three (3) unanswered goals. Jason "why aren't you in bed" Blair scored with an assist from Jake "The Fake" Poulstrup at 4:42.

"Tiger Williams" Greg Dobbin unassisted at 7:58 and another by "Tiger Williassist from 'The Fake', at 8:14. The third period continued with pin point passes. Doug Harvey checks, and fantastic goal keeping by both teams. The period ended goalless.

The parents, the noislest, most rowdy bunch you would

to their coaches. This was a big factor in the win, (who needs coaches anyway). The final result was Georgetown 4 - Bowman-
