Fletcher's Band entertains dancers at village Womens' Institute event

Fletcher's Band seemed to be quite popular with the crowd Friday night when they provided music for the W.I. dance at the Community Centre. Both old and young reported a good time. Lunch was provided. The monthly meeting was a

week later than usual for the U.C.W. March 23 at the Church.
The roll call was answered by each one telling an Irish story or a joke. Alma Sinclair was in charge of the devotional period. During the business part of the meeting, it was announced that many quilts had been completed this winter.

Much appreciation is given to Rita Shortill for opening her home for so many afternoons. Members were also reminded about the congregational dance this Saturday night at the Community Centre, also to keep in mind about the Rummage Sale April 17.
Edna Shortill and Marg. Jamieson were in charge of the lunch. To honor St. Patrick,

green jello was served with the cake.
The brilliant sunshine of Sunday morning brought a fairly good number of people out to the service of worship at the Church. It was the fifth Sunday in Lent and the service was in accordance with Jesus and the Crucifixion. Next Sunday is Palm Sunday.
The Sacrament of Holy Communion will be celebrated during the service. The men's choir favored with a beautiful anthem.
We are happy to report that A.D. McEnery is still improving and will soon be able to leave hospital.
Sorry to hear that Richard Shortill had to return to hospital last week. He is a patient in Guelph General Hospital.
Welcome back to Lloyd and Frances Buckrell who returned recently from Spicewood, Texas after spending January and February visiting with his sister and brother-in-law who reside there.

Optimists plan busy springtime roster

With the dawning of spring comes a lot of activity in nature. Likewise, with your Optimist Club of Georgetown. A lot of our committees are very active planning or working on projects for the spring. The very next project is our annual Hockey Showdown scheduled for April 10 at 9 a.m. Every kid in minor hockey is invited to participate and test his skill just like the pros do on "Hockey Night in Canada". So kids if you want to be Chico Resch or Larry Robinson or Wayne Gretzky for a day come out to the Georgetown Optimist Hockey Showdown April 10 at 9 a.m. at the Alcott Arena. For more information contact Optimist Brian Getty at 877-4818.
Optimist Jim Ferguson advises us that all the tickets are sold on the Trip of the Month draw.
Optimist Bill Meek reports that all the tickets of the Suit of the Month draw have been sold. Thanks to all members who have been involved in the selling of these tickets.
With the coming of spring comes the opening of our food booth. At present we are revamping the facilities inside, so that we can serve the public quicker while making it easier on the workers inside the booth.

We are having our flower and plant sale for a second year. This project raised some money for our community projects. We are asking all the community minded citizens to purchase your boxplants from the Optimists. You know that the few pennies of profit that we receive from each box goes back into our community. These will be sold in season. We thank Optimist Fred Clarke for chairing this project.
Election of officers is next month. If you want to get involved, or know someone, that should get involved; get yourself involved and make sure you are there to elect the members you like to see lead this club in 1982-83.
Don't forget the Opti-Mrs. Spring Thaw dance this Saturday (April 3) at St. George's

next to the high school. Come out and bring your friends and enjoy yourself. At this point, it looks like spring will need all the help it can get, so let's dance up a storm on the third of April and do old man winter in.
