

Optimist Minor Bantams Tri-County league champs

By HAROLD GILMER
Herald Special
The Optimist Minor
Bantams from Georgetown

were crowned Tri-County
league champions after
defeating Chinguacousy 5-1
in playoff finals last week-

end.
The Optimist Minor
Bantams came out strong
from the drop of the puck to
start the game until the end
of the second period.

After the break at the end
of the second period, Geor-
getown came out flat and it took
them about five minutes
before they got back on
track.

Goalies Steve Tucker and
John Lantz both came up
with superb goaltending.
Mark (Stonewall) Pries
played one of his best games
of the season, with his solid
hits and his accurate shots on
Ching's net.

The main strategy for the
game was "work both ways"
added with the desire of
every player to give their
very best. They all did this
and then some.

Georgetown came out of
the first period with a 2-0 lead
as Bob Klavkains and Mark
Pries connected for goals
assisted on them by Chris
Hodgins and Pries.

In the second period the
Minor Bantams were lead by
Scott Campbell and Brian
Doherty who scored assisted
by David Bertrand and Mike
Teetzal.

Chinguacousy narrowed
the margin in the third
period for a 4-1 score. Bob
Klavkains solidified the
score with his shot that hit
the mark assisted by Mark
Pries.

Centennial hockey victors

Centennial Middle School
became North Halton hockey
champions last March 28, but
they had to beat their cross-
town rivals from Stewart-
town to be crowned victors.

The Centennial team,
which is coached by teacher
Cam Crosby and parent
volunteer Graham Tyler, beat
Stewarttown 2-0 in the
semi-final of the six game
round-robin series.

Centennial then went on to
meet Sam Sherratt from
Milton and they chalked up
an 8-2 win. Earlier in the
round robin series, played in
Milton, the Centennial team
had tied Sam Sherratt 1-1.

In the final standings, Cen-
tennial was first, Sam
Sherratt second, W.I. Dick
third, Stewarttown fourth
and McKenzie Smith fifth.

Centennial finished the
series with three wins and
one tie. Mike Hurley was
voted in the final game the
MVP for the most offensive
player while Greg Haugen
from Milton won the MVP for
the most defensive player.

"The last game showed our
team play," coach Crosby
said. The game began as a
wide open contest, but Cen-
tennial began to take control
in the second and third
periods, he said.

Goaltending in the final
game was handled with
excellence by George Kent
and Sean Milton, Crosby
said. Each of four goaltend-
ers played one game of the
series, he said. There are 21
hockey players on the Cen-
tennial team.

Canadian Tire show Sat.

This Saturday is the one so many people have been
calling about. The first "open house" of the year. I will be in
attendance at Canadian Tire in Georgetown this Saturday
April 10 from 9 a.m. to 5 p.m.

I will be there all day, no breaks, as I don't want to
miss anyone, and hope that all those readers turn up.

That would be impossible of course as the store would
not contain them, but I do hope YOU come. This show is
designed to start new fishermen into one of the finest of
pastimes, and to find out from you experts out there just
what you have in line for this year.

Bring your questions, bring your news. I will take it all
in and hope to be able to give out in return. There are some
new features this year, that I hope will be a regular part of
these shows. LIVE TROUT, you read it right. Live trout,
courtesy of Halton Hills Trout Club and John Harrington.

If you want to know what a rainbow trout looks like,
then drop by the show, and I will try to show you how to
catch one of your own this year. On the streams of course,
not in my display tank. There will be displays of new
equipment, and new ideas to make it a more fruitful year for
you.

REVIVED SPINNERS

There will be the new and revived "weight-
forward" spinners. A brand new line from Breck's Mepps.
Check out the Diawa rods and reels. Even see how to make
your own lures next winter.

As usual there will be free draws. There is no
obligation, as I am not a salesman, just my way of showing
appreciation to my many readers and those who have called
and written over the past years. Anyone and everyone can
fill in a free draw ticket, it takes no effort and little time.

Prizes in past years have totalled as much as \$500 per
show, and I am still working on them at the time of writing.
Canadian Tire will supply 2 tackle boxes and I hope to have a
rod and reel set.

Lots of giveaways and I hope to have a representative
from Lowrance to show us all about sonar. Maybe even with
a film.

Lots of the new MEPPS spinners and Rapalas, and the
new knife sharpener by Normark. This fits in your pocket or
tackle box and contains ceramic "rods".

Just be sure to drop by this Saturday, and ask those
questions that have bothered you, and remember I am there
to help you and your family to better enjoy the outdoors.

For a complete list of the fishing derbies that are
being run this year, bring a pen and copy down from my list.
Starting with Salmon and trout in Sarnia and Lake Ontario,
Perch in Orillia, and walleye and bass in Peterborough, they
are all covered.

Please take note, the trout season does not open until
April 24. Anyone fishing for trout in our area is poaching.
Poaching is a major source of depletion in our fisheries.

Report ALL you see. Take vehicle description,
personal description, and licence number, location etc. and
report to police and Conservation officer.

Pike also is closed, and there is ALWAYS poaching in
Fairy Lake in Acton. Why don't you help stop it and improve
our fisheries? Do your part, and call me if you can as I am
interested.
