Happy fishing, prizewinners

First of all I must express my appreciation to all those who extended their thanks for Ontario Outdoors. It is a lot of effort each week, but I enjoy reaching outdoors people. These "open houses" or shows are getting large each year, and the response is exciting.

Before going much further I want to thank John Harrington of Halton Hills Trout Club for the live trout used in the display. It has taken a lot of planning to get live trout in a store, but John came to my rescue with his expertise. Of course the trout would have been impossible without the tank provided through the courtesy of Rainbow Fish on Guelph Street in Georgetown.

Now you know why at Canadian Tire it is more than just tires. I only hope I had the right answers to all your questions, and was able to explain the working of the Mepps Luxox weight forward spinners as well as the super Diawa Mini-Cast reel.

THANKS, MONTY

All of us, I am sure owe a debt of gratitude to MONTY SMITH for coming from Brantford to show us the Lowrance depth sounder and recorder equipment. The slides showed the fine details that are sometimes hard to explain otherwise.

Monty runs a charter boat service, and had photos of a few of the fish his clients had caught on his boats. Since packing up on Saturday, several people have asked how to get in touch with Monty Smith and his Happy Pappy Charters or Lowrance. Write 13 Glendale Road, Brantford, ONT N1P 0S9 or phone (519) 759-7578.

For those who asked about the Normark Knife Sharpener, they will be more readily available in the future. They were new last year, and is about the best way I know of for sharpening your knives.

Mine is used in the kitchen as well as the tackle box and is often in my pocket for ready use. Something that can not be done with the other ceramic knife sharpeners.

Out of all the hundreds of people we talked to last Saturday at the Georgetown Canadian Tire Store, there could only be a few winners of prizes, though all were winners with the specials the store put on.

PRIZE WINNERS

Prizes were provided by Normark, the Rapala people; Diawa, who makes some of the finest rods and reels available; Mepps, the makers of those fantastic spinners and the new NLS MASTER PLUGS; and of course Canadian Tire through the courtesy of Murray Lawton.

The winners are as follows, and prizes are awarded as presented. The draw was made by Mr. Lawton at 5 p.m. Saturday. FIRST prize, a DIAWA MINI-CAST rod and reel, to John Voros, RR1 Georgetown. SECOND, K. Ackroyd, 12, of Delrex Boulevard in Georgetown wins a Tackle box with lures provided by Canadian Tire. THIRD, 11 year old Stewart Innes, also of Delrex Boulevard wins another tackle box from Canadian Tire. This box also contains lures.

FOURTH, John Willshire of Balfour Cres. in Georgetown wins Mepps spinners. FIFTH, Bob Simpson of Edith Street in Georgetown receives a knife by Normark. We added an extra prize after the show and this went to Bill Hesselink of RR4 Acton. Bill is six years old, and I hope he stays as good a fisherman as he is. PLEASE NOTE - all prizes are to be picked up at the Halton Hills Herald office this week.

More news next week, and please don't hesitate to call me in the meantime.

GDHS in classic volleyball game

By HARALD BRANSCH Herald Correspondent
What is the East Halton all stars volleyball classic?

It's the all-out, no-holds-barred volleyball match between the East Halton mixed all-stars vs. the all-star (says who?) coaches, and it takes place Thursday April 15 (tomorrow) at Oakville Trafalgar high school.

The mixed all star consists of six boys and six girls. Representatives from Georgetown will be Brian Davis and Rod Fraser, and for the girls' Michelle Mielum and Jenny Smith. Senior volleyball coach Grant Clatworthy is the GDHS "all-star" coach.

Other all-stars on the boys' team are Paul Hird, Jamie Ziegel, and Jeff Mallow, all from T.A. Blakelock who are this year's Halton champions, and Dave Kingston from Oakville-Trafalgar.

On the girls' all-stars are Debbie Rogers, Perdue; Leslie Strickler, White Oaks; Pattie Hais, Milton and Lu Anne Bury, Oakville-Trafalgar.

The boys' team is credited with excellent setting and power hitting a combination that provides for some exciting action. The girls' strength lies in their "balance of offense and defense" which comes from power hitting, backcourt digging and serving.

Both will be coached by Hall Watson, coach of T.A. Blakelock.

Game time for the volleyball match is 7:30 p.m. Anyone needing a ride call contact Mr. Clatworthy and arrangements will be made.

The format of the match is two matches, each best-of-three games. One match will have the boys dominate net play and the other will have the girls dominate the net play. Everyone must have a rotation at serving. The evening is expected to contain some exciting volleyball, and once again action begins tomorrow night at Oakville-Trafalgar - admission a mere \$1.

the pressure put on them by a fast-skating and often physically tough Cap Pele team.

For Ray Tonelli, the Raider club is the best team he's played on because of the depth from all team members. Captain Steve Lyon says that each time a player was injured, such as in the case of Peter Sturgeon and Rick Kessell, the team worked even harder to fill the gaps.

Very little is known at this time about the Queenel Kangaroos from British Columbia. We do know they are one of the two best Intermediate A clubs in Canada. Let's hope they're the second best team.

THINK ABOUT IT

Many areas of research look promising for the future - work in restoring radiation sensitivity to cancer cells, identifying populations at high risk for cancer, and studying viruses as possible causes of the disease. Such programs need steady financial refuelling if answers are to be found. Support the Canadian Cancer Society's annual campaign in April.
