

Hayward named to All-America

By DAVE WOHLHUETER
Herald Special
Hayward tops big red Men Skaters

Senior tri-captain Brian Hayward of Georgetown was named All-America, All-East and, along with classmate Joe Gallant (Toronto), was named first team All-Ivy for the 1981-82 Cornell men's hockey team.

Being named All-America capped off an outstanding career for goaltender Hayward, who had been selected to the Ivy second team as a freshman.

Although he was slowed by mononucleosis his sophomore year, Hayward played in 78 games at Cornell, second only to Ken Dryden '69 (83 games), while setting the school record for career saves with 2,225.

His 3.82 goals against average ranks eighth on the all-time Cornell list, while his .893 save percentage is seventh. This year, Hayward stopped 686 shots, including a record-tying 61 in the season finale against Yale, while posting a .915 save percentage and a 3.06 goals against average for the campaign.

Hayward, along with senior left wing Roy Kerling (St. Catharines), was selected to play in the American Hockey Coaches Senior All-Star Game in Bloomington, Minn., Monday, March 29.

Terriers folding?

The Orillia Terriers Intermediate A franchise is in danger of folding as president George Maconachie announced to his publicist Paul Rimstead that a \$29,000 debt is just too much for him to handle.

Maconachie is quoted as saying, "If somebody else wants to run the team they can if they assume our debts."

The newly formed Junior A Orillia Travelways offered to pay the Terriers' debt if Maconachie would join their organization.

The Orillia Terriers as a senior club won the Allan Cup in 1973 to become Canadian champions at that level of hockey.

Three years ago because of travelling costs, the Orillia team moved from senior hockey to intermediate hockey. Maconachie has been running the club for seven years.

Public donations needed

Without campaign funds, scientists would not have the valuable tools they use today to diagnose and treat cancer. One particular machine costs over \$1,000,000 to purchase and operate. It's up to you to see that public donations to the Canadian Cancer Society keep pace with the development of these sophisticated instruments. Give generously during the annual campaign.
