

Rep Soccer's new team

Atom Raiders tie Milton at 2-2

Georgetown's Major Atom "rep" Soccer Team started their first league game late because of lack of communication between Milton and Georgetown.

The match featured some fine passing by the forwards. The defense

played well and were solidly backed up by the midfield led by Mark Mininch.

Late in the first half, during a scramble in front of our net, Milton just managed to beat a superb effort by goalie Paul Smith, but their lead

was short lived. From a well set-up play by the defence, Nicky Varrichio drove the ball up his right wing and centred to Chad Bailey who slammed it in airborn.

Milton came out strong in the second half, but the fullback line of Bob Donker, Steve Alchin led by Mike McElroy's fine heads up play held off Milton and kept renewing the Raider's attack.

Under the pressure of this solid team effort it wasn't long before some quick footwork and a well placed shot by left winger Mike Melville put Georgetown ahead. Late in the game, however, Milton managed to again capitalize on a sudden play reversal, with a weak shot to the far corner of our net.

The coaching staff was pleased to see this new team play such good team soccer. Special appreciation goes to Chris Cambouris and Scott Dobbins for their continual all out effort and excellent play-making.

The coaches felt that Georgetown had a definite edge in this game and are looking forward to our next encounter with Milton.

Park's trials and tribulations

Herald Special

What news this week?

Cedarvale is in terrible shape, although I must admit I have seen worse. The end of season repairs last fall were piecemeal and did not cover the bare patches. As a result, the new and old edges of turf do not meet and will die, thereby leaving further areas to repair at the end of this season. The playing surface is therefore uneven and makes it difficult to judge the movement of the ball or to play it properly. The bare patches leave ruts and valleys which could cause ankle turnovers and players and officials have to beware of the conditions. It is also unfortunate that this past week's rain arrived later than required to assist growth.

However, these trials and tribulations do not dampen our natural enthusiasm!

Our youth competitive teams began in earnest last Tuesday and of our 7 teams only one managed a point. The major atoms tied Milton at home 2-2. Coach Nunzio Varrichio maintained afterward that his team did enough to win except put the ball in the net to make it happen.

Although there are 7 teams one had yet to play

as I write. The juniors hosted Orangeville and we'll have news of the Monday and Tuesday games one week later throughout the year. Only 11 bantam players, including Steve Turner as goalie, made the trip to Chinguacousy in a premier division game. The lads fought well for most of the game and were outclassed in the end by weight of numbers in an 0-8 result.

This will be a hard year for the Meteor sponsored team in the premier and coach Bill Brasz feels his lads will still do quite well if they apply themselves to the task. Jack White's major peewees were also shorthanded and even with reserves playing. They were well down at Clarkson by 1-7 and will play with better results as the season progresses. The major mosquitos hosted newcomers Kitchener in a 3-6 result.

Coach Bill Pooke felt that the boys would have done better had they played as a team and applied the pressure all the time and not in spasms. Billy Murphy and Brent Brasz took the eye with some good approach work. Gary Spiller and his minor peewees should take heart from their spirited comeback against CSC Miss, at Cedarvale.

A second half rally just failed in the dying moments and the team fell 2-3. Joe McGuinness and Yvonne Letarneck showed a lot of promise here. The minor atoms did very well in their opener against a strong Brampton outfit. The visitors had already heavily defeated our newest team and this time it was only 0-3. The young ones played quite well, particularly coming off a 5 game tournament at the prior weekend.

The Inter County held a disciplinary meeting last evening to deal with early problems. Three ordering offs and an abandoned game due to disciplinary problems does not augur well for a recreational league. There are also the first week rain outs to reconsider. Which made for a busy night. This evening Mariners host Meteor A and

Meteor B host ICCM at Cedarvale. At either Moore Park or Wrigglesworth it will be Varian and MF Milton doing battle.

Last week Ron Rimmer joined the Mariner own goal club with a well executed pass back lobbed right over goalie Johnnie Borsten to open the scoring for SW Milton. The Mariners ran out 3-2 winners in the end making it hard going against a stuffy home team.

Opening day Inter County results are: Division 1: Villa 1 Eagles 1; Mariners 2 Alpin 4; Meteor A 7 Meteor B 4. Division 2: Ajax 3 Villa B 4; Vikings 0 Butchers 5; Rangers v Brackens abandoned after 10 minutes of play; Falcon res v MFM abandoned after 7 minutes of play in the second half.

Next Sunday at Cedarvale at 7 p.m. the major peewees begin their tilt at the Ontario Cup against Milton which should be quite a game this early in the season. On Monday the major peewees tackle Miss SC and the Meteor bantams host also Miss SC later. Tuesday sees the minor peewees take on Clarkson at 6:45.

That's your lot this week, see you on the field.
