Tackle strength to be a force in Cup play

World Cup Soccer began in earnest on Sunday with Argentina first to play in defence of its 1978 championship. Belgium were to provide stern, yet token, opposition following the impressive opening ceremonies.

This was not to be. The Belgian team did not come to lose and fought for every ball until the final whistle, upsetting the champions by 1-0.

A pattern emerged early on in the game. Strength in the tackle is going to be a force in this cup championship, and many free kicks will be given away if this game is an indication of what is to come. Goals will be scarce with tight and illegal marking by defenders.

Some 37 games will be shown on CBC who are to be commended upon taking a real world championship series. 106 countries started on the trail 4 years ago culminating in 24 teams going to Spain. There will have been over 600 games played to decide the eventual winner.

The consensus of opinion is that Brazil, West Germany, Argentina, Spain (as the host nation usually does well) may fill the last four spots.

The Blizzard slipped to a 9-6 record after a 0-2 result in Jacksonville. A damning indictment of artificial turf came from this match. Blizzard goalie Jan Moller kicked the turf as he was taking a goal kick and the ball went straight to the feet of a Tea Man forward who promptly scored.

The goal was completely against the run of play with Blizzard unable to capitalize on their superior approach work. Injuries had an effect on team selection and the Toronto club are still looking for a name striker. (Aren't we all?)

Bill Xanthopoulos' young ladies of peewee age are looking good in the select team. They played a fine match against Jean Belshaw's bantam-junior mix and did not look out of place with the older and more experienced girls. I also saw part of a league match with John DeVries bantams and those girls can turn on a few skills along with the best.

There are some players in ladies soccer who look pretty good and they certainly seem to have a lot of fun, which is the name of the game.

Another six Inter County league players were suspended at the last disciplinary hearing on Thursday last. Reports indicate that the situation

may not be as bad as it sounds. Nevertheless the league intend to stamp out wayward players and clubs will be warned at the league meeting on Thursday evening that the current trend of offenders is alarming.

A fine match took place between Eagles and Mariners with Eagles running out 5-4 winners in the end. The game began as if the Mariners would take command. Eagles refused to panic and scored three goals in the first 25 minutes and held on to the lead throughout. Mariners came back to tie at one point but could not apply the killer touch when it was needed.

METEORS WIN
Meteors Blues and Whites both recorded wins; the Whites over SWM by 2 goals in the last 5 minutes of play and the Blues 4-1 over Acton at Cedarvale. Acton did not look their usual self and promise a different result when they meet Mariners at Cedarvale at 8:45 this evening.

Falcon Reserves had a rough time at Butcher earlier and took a heavy defeat. However the results do not count for the Falcon officials as they are building for the future and want the lads to enjoy their game first. Results will come later.

Brackens defeated Vikings by 3-2 in a close game at Wrigglesworth. This week Brackens are at home to MFPM Milton under the new lights at Moore Park, a welcome addition to our facilities and much needed by soccer as a whole.

A number of our youth rep reserves have indicated that they no longer wish to be part of the rep squad in this position. Firstly this costs the club registration fees at district and Ontario levels as their forms require to be cancelled and new forms purchased for replacements.

When the players try out there is little or no indication that they do wish to be considered only as rep and not as reserves if they do not make the first selections. "I will only play if I make it" types of players are not trying in the spirit of the game and the set up of the club.

Frankly I'd rather do without them, at rep or house league levels.

Actually I cannot understand this attitude. If they do not make it this time maybe they will the next time if they try a little harder.

'Wrath of Corn' Niblets defeats Moody Blues

By SUSAN WILLIAMSON
Herald Special

Although the Moody Blues scored nine runs in the second inning, it wasn't enough, as they were defeated by Corn Niblets 17-15 on Monday night June 7.

It was a very close tight game and an exciting one to watch. Corn Niblets, Lynda Jennings at second made a superb double play in the fourth inning.

Also assisting the "winners" was Lynn Sargent with her powerful consistent batting. Contributing to the Moody Blues super team effort was Diane Saunders at second with her strong hitting and accurate defensive catching. Debbie Tyrrell was another Moody Blue who came up with some super batting.

There's no stopping this Burgundy as Black Magic soon found out as Burgundy scored six runs in the second inning and went on to beat Black Magic 11-8.

Towards the middle of the game Judy Krajaich of Burgundy made an

unbelievable catch at third. It certainly was an eye catcher "surprise" play.

Black Magic tried hard to surpass Burgundy by scoring six runs in the seventh inning despite their shortage of players.

Once again Leanne Mackie is stopping a lot of runs with her magnificent catching at centre field. Alice Henderson gave her team support by batting in two runs.

WEDNESDAY
Hot Stuff were not hot enough as Skylarks defeated them 13-5 on Wednesday night June 9.

The whole Skylark team was superb with their fine hitting and their defensive plays. Well done ladies.

Hot Stuff received assistance from first person Sandy Barclay with her beautiful home run and

also from Robin Richardson who made some excellent fielding plays.

L'Bats Blue and the Beige Brigade were in a real close battle with the Beige Brigade victorious over L'Bats Blue 20-17.

This game was filled with many super hits and great defensive plays. Honorable mention is to go to the complete Beige Brigade team and a special note made of Pat McElroy's defensive pitching.

L'Bats Blue pitcher Brenda Fournier put a stop to numerous hitters. Candy Moran played a good game in the outfield and at the plate.

Other good fielding plays came from Darlene Bishop.

I certainly don't think the name "The Pits" which the Green team has selected for themselves is

any indication of their baseball playing.

They too were in a close game with the Orange Orioles and lost by just one run, 22-21. Congratulations to both teams on a game well played.

Special mentions go to Oriole's Judy Anderson for her strong pitching and hitting.

For the Green Pits Donna Terry for her splendid home run and for her good fielding. And to Bonnie Henderson for her good infield plays.

Blue Bombers 2
Green Machine 0

In the first match of the season Donna Kerby netted two goals for the Blue Bombers to give them a win over the Green Machine. Jennifer Cave, Stephanie Hanman and Michelle Hedley all worked very hard for the Green Machine. Kim Howat was strong at half-back, Kerry Shaw and Donna Kerby all played a noteworthy game for the Blue Bombers.

Blue Angels 5
Red Devils 1

This game was the official season opener. The strong Blue Angels scored 5 goals to the Red Devils 1. Chantal Desrochers banged in three goals and Sue Rogers two, for the Blue Angels. Melissa Morey also played well for the Blue Angels. The lone Red Devil goal came from the boot of Sue

Taylor. She was strongly supported by the fine efforts of Jody Axford, Lisa Korosell, and Michelle Evans. Blue Angels 1

Major Atom Raiders taste tourney action

By STEPHEN MELVILLE
Herald Special

The Major Atom Raiders had their first taste of rep tournament soccer at Erin Mills this weekend. Although they had difficulty coping with their opponents' offense, the young Raiders produced some excellent drives.

A slow start against Salt Fleet, Hamilton, found Georgetown trailing 6-0, when a perfect cross from Nicky Varricchio to Mike Melville broke the ice. Soon after a six way passing play from Mike Melville, Jimmy English, Nicky Varricchio and Chris Cambouris was rewarded by Paul McLeod's determined burst of speed.

Within minutes another hard shot from Paul McLeod gave Mike Melville an easy rebound. Hamilton scored only once more to make it 7-3.

Georgetown came out flying against Brampton, but seemed to do everything but score. Then late in the first half an unfortunate defensive error gave Brampton the edge. In the second half Brampton's all out effort turned the game around to win 4-0.

On day two, Georgetown got its first big win; but it would have been more entertaining had Kitchener braved the Raiders' fearsome reputation and showed up.

The coaches were pleased by the Raiders' spirit and determination and appreciate the efforts shown by Chad Bailey, Bob Donker, Jamie Kelman, Jimmy English, Mike Bosman and Richard Sowers. This team is rapidly improving and with continued support should soon be competitive at the rep level.
