The Minor Atoms registered a win of last. The 3-0 over Burlington is a tremendous boost to our newest team. Regrettably it will not count as the visitors were a little lagard in readiness for the game and ref Chas Coomber refused to allow further time past the already allowed leeway, for one reason.
The Major Peewees crushed Brampton by 9-1 and did not have to play well to record the win. To the best of my knowledge Ed Morgan and Louis DePaoli each recorded hat tricks in the scoring. The major mosquitos just went under to Milton, by 0-1 at Cedarvale and they played quite well.
It was late in the game when the home team realised they could attack well and they ended by taking the game to their opponents.
Inter County results from last week have Eagles at the top of division one after a home win over SWM by 4-2. Meteor Blue took a 4-1 win in their match up with ICCM at Cedarvale. Action were held to a 1-1 tie by Meteor white in Acton in a tousy game I am told. Meteor blue hold second spot with the idle Mariners third.

In the second division trouble erupted at Butcher vs Bracken with 15 minutes or so left to play. This comes after the 'riot act' was read out at the last league meeting only seven days prior to this game. Bracken were leading 3-1 at the time, the first time Butcher looked to be heading for a loss. Pineview recorded a second win of the season 2-1 over Ajax, who remain second in the standings.
Falcon reserves were 4-1 over Varian at Moore Park under the new lights which received favourable reports from all. Bracken made up on of their games and polished off MFPM by 4-0, and are lying third in the table.
The Senior Falcon received their first defeat of the season 0-0 last weekend to Oakville. Only 10 players showed for the game which tells the whole story. Where were you lads?

Isn't the World cup refereeing difficult to understand? Our refs do not seem as bad as they are made out to be by comparison. The CBC TV coverage is great except for flashing commercials during the play. I have called a couple of times on this point. Imagine the furor if they did this during the Argos, Leafs or Blue Jays! (Well, it might make sense during THEIR games!).
