

Petrohaul Oilers take a win over Hustlers

By BARB CASE
Herald Special

This week I have only a couple of games to report on from the Limehouse Men's League. The first match-up saw the Petrohaul Oilers take a much needed win over Laine's Hustlers. Although the Hustlers got on the score-

board in the first inning when Bruce Burrell's double chased in Bob Jarret, followed closely by Roger Brown.

By the second inning the Oilers had pulled up ranks and sent in Brian Nichols, Dan Engley and Dave Piehl. Brian and Dan scored again in the

third to chalk up five runs against the Hustlers two.

In the fifth inning two more runners scored for the Oilers and the Hustlers Earl Matby crossed the plate. When Bob Jarret came home in the sixth, the Hustlers were held at four runs while the Oilers counted four more times to bring the final tally to Oilers 11 - Hustlers 4.

The Wednesday night game was closely played and the score was held to two pieces until the seventh inning when Abitibi Price made a big move over the Huttonville Hawks and scored twice.

When the Hawks' Pete Blacklock made it third base in the eighth, the Abitibi catcher had to work hard to keep him there. Final Abitibi 4 -

Huttonville 2.

Then on Thursday when Ballinfad almost shut out the Indusmin Expos, it gave Abitibi a good hold on their first place status.

With Al Simpson going the distance on the mound for the Blue Jays, he faced 31 batters and with his solid defensive team backed him up, they allowed only one batter to make it home, and that

was Dave Williamson in the seventh inning. Nice work Jays. Dave Green for the Jays was the first to chalk up a run by coming home on his first hit.

Besides his home run, Dave went 3 for 4 at the plate - likewise - Wayne French and Al Simpson got on three out of the four times they faced the ball. The Jays took their

runs slowly spacing them out between all innings and ending up top of the eighth with seven runs to the Expos one.

Also, guys, don't forget the Picnic which the Limehouse Men's League are holding on July 17th. There are various activities planned, including races for both children and adults.

There will be plenty of food and refreshments available and live music. It will be a good time for all who attend, so plan to be there.

Tickets are available from any of the team

Mayor's fun and fitness

On Thursday, July 1st, a few members of the Cardinal Leger Track Club participated in the "Richmond Hill Third Annual Canada Day Mayor's Fun and Fitness Run".

In the 5 k run, Melissa Morey placed first in the Junior Women's category (18 years and under) and was second overall woman with a time of 21:28.

Coaches Rick Landry and Al Bachmeier placed ninth and 30th overall with times of 19:50 and 22:12 respectively.

This was a personal best for Bachmeier who himself has just begun to race.

There were 215 competitors in the 5 k race. Coach John Luciani, competed in the 10 k race and ran a personal best of 38:25 to place 92nd out of 370 runners.

After the races, the families all participated in the July picnic and festivities at the Mill Pond in Richmond Hill.

Soccer

Vandalism struck again at Cedarvale. The lights panel was so severely damaged as to cause all late soccer cancelled all last week. The box is being repaired and moved in an attempt to prevent further deliberate breakages.

In addition the dressing rooms were forced and all the water taps left on which caused flooding in the dressing rooms and nursery areas leaving a lot of damaged goods. Additional police patrols are now in vogue in an attempt to prevent further trouble.

Speaking of troubles. A few big guns are out of the World Cup as the end of the second round nears. In all the games so far no team has matched Brazil in all departments, except goal where Mr. Peres is in a class by himself. No team, except Brazil, would contemplate going against the rest of the best in the world with a keeper of Peres' class.

Northern Ireland's gutsy fight to remain in the cup came to an end this afternoon (Sunday) against a classy French squad. Following Algeria and Cameroon they were the champions of the underdogs in this tourney.

East Kilbride defeated Mississauga in the semi final of the bantam Robbi tournament, a repeat of last year's final. The West of Scotland outfit met St. Thomas More, England in the final. It is the English team's first appearance in Canada.

The five year unbeaten run of Sao Paulo of Brazil came to an end when Rexdale blasted the visitors 5-0 to put them out. In the junior division the defending champions from Scotland, Gartoch, reached the final.

SOCCER INTERNATIONAL
Soccer International, the coaching specialist school from Toronto, are in town this year from 12-16 July. Organized by Jeff Stephen the school is very popular amongst most clubs in Ontario and Northern U.S.A.

"The level of instruction is high and worth while to aspiring soccer players. Coaches are welcome to watch the sessions which can only improve our knowledge and quality. The cost per player is \$29 and application forms are

available at the Parks and Recreation department office, or from me. Sessions for 6-8 year olds are from 9 till 12 noon and for 9-14 year olds from 1 p.m. till 4 p.m.

Last week I touched upon refereeing problems. One of the things the youth group has done is to introduce a development commissioner. Luc Bertrand has put a program together, and is in three phases this year. Phase 1 is two thirds of the way through - finding new refs, initiating them into the game and monitoring their progress until and after they become qualified. Phase 2 is to upgrade existing referees, to ensure that they are registered with Ontario and maintain their progress.

They are invited to attend the North Halton Referees Association meetings with discussions and talks on specific subject laws of the game. Phase 3 is to gather opinions and experiences from each referee with regard to the rules, the role of the referee and attitude in various game situations.

From this contact and discussion to establish a code of conduct for referees within our town. The current qualified and registered referee is not forgotten in the development. They are to be asked to assess and give constructive criticism whenever the opportunity arises.

Once again we hope that others involved in the game will be tolerant of the developing referee otherwise you will turn them off forever.

INTERCOUNTY
Intercounty action saw the Eagles maintain their grip on first place in the first division by 3-0 over a flat Meteor Blue. Whilst this was on the go Meteor White were operating an efficient offside trap, in the opinion of ref Mike Clark, to keep the Mariners off the score sheet.

In the end the Ancients broke through and Danny Shields rapped home a hat trick and Archie Tannock a single to defeat the home team 4-0. This was Mariners' best display of the season to date.

Shields came out of a sick bed (actually he was sick, not the bed) and one wag said he should be sick every

week! In the other game ICCM came unstuck against SWM, who won 2-0 to record their first points of the seven game season.

The second division had two games off due to no light being available for Falcon and Varian games. Bracken moved into second place with a 5-4 win at Acton. Butcher remains at the top by defeating Ajax 3-0. The second division have a few games to be made up before the play offs in early August.

The league is considering a new format for the cup this year. The executive propose that all clubs take part. Games are to be based on the end of season standings, with team 1 playing 5, 2 vs 6, 3 vs 7 and 4 vs 8.

The games to be played on a home and home game each, on the European Cup system. This will ensure that each team will have a minimum of 16 games in the season, with an 8 team league. (There are only seven in the first this year).

Cedarvale youth games had a fair beginning with the Junior Falcon running off easy winners over Brampton by 7-1 in spite of my refereeing. The

visitors were a chippy lot, particularly one player who was given an "early bath" for continual dissent.

The juniors played very well and had just come off their Ontario cup win the day before. The Meteor bantam match up with Burlington had to be postponed due to the flooding of the playing area as well as the surrounds. The peewees of Jack White squaked through 1-0 over Clarkson which takes the lads up to the top end of the standings.

Ref Luc Bertrand said our team deserved the win and played until the final whistle. The major mosquitos gave a 5-1 defeat to Orangeville, who never gave up and came close on a few occasions. Back up goalie "Woody" saved several good efforts. The forwards spread the ball around the served notice that they can play when they want. Jamie Walraven, Billy Murphy, Rick Kilpatrick were the scorers and none more popular than wee Bill Murphy's counter on the half time whistle.

This was a good team performance indeed with no weaknesses on this display.
