NHAMR extends thanks to McDonald's owner

This letter, written to Richard Chandler, the owner of McDonald's outlets in Milton and Georgetown, was submitted for publication in The Herald.

Dear Mr. Chandler,

On behalf of the North Halton Association for the Mentally Retarded, I wish to thank you and the McDonald's management and staff for supporting us in your McHappy Day.

The financial contribution will help pay for services for handicapped children here in North Halton.

Your regular support of our Association and other local groups is an indication of your community spirit and concern.

Sincerely,
Bert Arnold,
President.

Summer Gallery

We may have settled into the lazy, hazy days of summer, but there's plenty of activity at Terra Cotta's Forge Studio where artists are holding their annual Summer Gallery. In the selection are paintings, displays of pottery, blown glass, baskets and painted silk. The show will also feature local guest artists Ron Warnock and Helena Onoprijenko. Forge is open noon to 5 p.m. Wednesday, Thursday, Friday and Sunday. For more information call 877-1312.

Happy about park

Dear Tom:

Organizations are quick to criticize the condition of their playing fields if they are not suitable, and we're no different in Hornby:

We would like to be known as an organization (the Hornby Minor Ball Clubs) that appreciates the efforts of the town when all requested repairs and suggestions are made, and in particular just how fast they are completed. The co-operation in repairing our three playing fields to such great condition is very much appreciated by us.

We have completed, what must be considered highly successful minor ball tournament in Hornby on Sunday, July 11. There were fourteen visiting teams from such locations as Milton, Acton, Streetsville, Rockwood, Brampton, Waterdown, Mississauga and Alderwood. The park was filled with youngsters playing ball and many parents were watching.

The tournament organizers received many compliments about the park setting, condition of the diamonds and the general good appearance of the Hornby Park. We appreciated their comments, and advised them that with the co-operation of the Town of Halton Hills, Parks and Recreation Department and the Works Department the Park has this great appearance. We wanted to pass along from spectators and participants, very favorable comments to just where they belong. We in Hornby are very proud of our park, and we appreciate the town of Halton Hills' assistance that enables us to remain proud of just what facilities we have.

The Hornby Minor Ball Clubs thank the parks and recreation department and the works department for their quick co-operation in making the Hornby Park the "show-place" it was during the July 11 weekend, and the "show-place" it is throughout the summer. We appreciate both department's efforts and we assure you they have not gone unnoticed.

With the Annual Hornby Garden Party coming up very soon, this gives the Hornby Minor Ball Clubs the opportunity to show off the park again, and we will do so very favourably.

Thanks to the town of Halton Hills.

Yours in good sportsmanship,
Bryan Lewis,
Executive member.
