

# Hydro breaking line promise?

By MAGGIE HANNAH  
Herald Special  
Milton town council will appeal a recent decision of a hearing panel on a proposed Ontario Hydro expansion plan because the utility appears to be renegeing on its promise not to increase the number of high voltage transmission corridors or facilities in Milton.

Council will appeal a Consolidated Hearings Board decision that rejected a Hydro-preferred 500-kilovolt transmission line through the Brantford area because it appears the utility will begin to expand its existing transmission corridors through Milton to compensate for the lost routing.  
Mayor Gordon Krantz

asked utility representatives at a meeting last week whether Hydro will object to the board's decision disallowing the route from the Bruce generating station through the area south of London in favor of a Hydro-rejected route from the Bruce generating station to Essa, near Barrle. He received no commit-

ment from Ontario Hydro. "Milton had assurances from Hydro that further expansion of facilities (in Milton) would not take place," Mayor Krantz said. "A May, 1981, report indicated that possible expansion of the Milton facilities would be strongly opposed (by Hydro). We were told not to be con-

cerned (about the consolidated hearings held in Stratford) because we wouldn't be affected. So we didn't appear before the hearing board. "I think we've been done wrong by both the joint hearing board and Ontario Hydro if the board decision isn't appealed." In June, the board selected one of six alternative

routes proposed by Ontario Hydro to get power from the Bruce generating station to the Ontario power grid and rejected the Hydro preferred routing. Milton foresees pro-

blems because the board ordered the utility to study a six-kilometre wide right-of-way along Highway 401 from London to Milton.

## Ballinafad

### Holiday time

By WINIFRED SMITH  
Herald Correspondent  
877-2008

Many residents of the village are away on holidays. Some have returned. Those who have recently returned home are Winifred Smith and her daughter, Ruth Burt, who spent a happy holiday out in Alberta. They visited relatives in Edmonton and Calgary. While in Alberta they went to Banff National Park and saw the Rockies and beautiful Lake Louise.

Tom and Lillie Given have returned home from a week's vacation in Ottawa Valley visiting Killaloe and Calabogie. While passing through Kinmount, they paid a short visit with Phil and Ernie McKim who were former residents here. They wish to be remembered to all their friends in Ballinafad.

Susan, Amie and Karen O'Connor have recently returned home after spending two weeks in Florida. While there they visited Disney World.

Some of our residents

paid a visit to the neighboring village of Hillsburgh Saturday to help an esteemed couple celebrate their 50th wedding anniversary. John Root, former M.P.P. for Wellington-Dufferin Counties, and his wife Lillie were the guests of honor. This happy occasion was held in the Hillsburgh Baptist Church.

The previous Saturday another well known couple in the Erin and surrounding country, Don and Jean Matheson, celebrated their 40th wedding anniversary.

Also, July 17, a lovely wedding was held in Ballinafad, the bride being the daughter of a long established family, Bud and Evelyn Snow. Unfortunately the weather was not the best, as the wedding had been planned for outdoors. However, between showers, the ceremony did take place on the little bridge that crosses the small creek in front of the Snow home.

Rev. Dr. Tom Bandy was the officiating clergy-

man as Myrna Snow and Bruce Cooksley pledged their vows. The young bride and her attendant made a pretty picture as the sun did manage to shine for a very brief period. Rest of the festivities took place in the home.

Residents experienced some sadness recently when they learned of the death of two former residents. Albert Dance was a well-known man as he lived in the community since coming from England as a young fellow. On his retirement he made his home in Acton. He was in his 80th year.

Fred Mack's death occurred in a Guelph Hospital. He and his family resided here for a short while. He was the son of a well-known senior citizen, Tom Mack, who passed away a few years ago.

We wish a speedy recovery for Mrs. Morgan Madill, who is a patient in St. Joseph's Hospital of Guelph, where she is to undergo surgery on her eye.

## Mmm! Steak BBQ

Sick List: Theresa Harrison, Sam Gibby, Len Rayner and Roy Haley. Ladies auxiliary: Anne Collins. All are in Georgetown Hospital.

Entertainment in the lounge for July 31 will be Boots Hurren. Congratulations from Branch 120 to Mr. and Mrs. Gord Harley on their recent marriage.

There will be no Car Club draw from July 22 to Aug. 12 due to holidays. On Friday, Aug. 13, the Branch is holding an inside outside steak BBQ. Tickets are \$5. each.

**HISTORY OF BR. 120**  
The organization received an important stimulus from the GWVA which turned over to them for use under certain conditions, several hundred dollars. They seem to have lost no time in getting acquainted with their neighboring Legions and visits were arranged. Also the date for the presentation of their charter was set for April 27, the dinner to take place in the old town hall.

This proved to be a great success; some two hundred veterans and relatives of those who made the supreme sacrifice attending. The old town hall was decked out in all its finery with flags and bunting. A magnificent banquet was served. Mrs. T. Grieve in charge. President Cousins was emcee and after various toasts introduced General Gunn, who presented

the charter to G.O. Brown, who replied for the members. Gen. Gunn wished them all success in the future, and expressed his pleasure at being in

Georgetown, as it was just thirty-one years ago he had left Georgetown to go to militia camp with Major Lockie Grant, first honorary president.

# HOME OF THE WEEK

PLAN # 82-1740  
19.3m x 60.11m

**LUXURIOUSLY SPACIOUS IMPOSING TWO-STOREY**

This impressive brick and timber two-storey design is perfectly suited to the medium-wide frontage residential building lot. The plan provides in excess of 2,200 square feet of finished floor area on its two levels. For economy of initial construction, the spacious lower level could be finished and the upper storey left incomplete until family space requirements necessitate its development. The enduring brick finish and Tudor-style decor is in harmony with the traditional architectural detailing of the exterior.

The elevated, covered main entry leads into a spacious reception foyer, which contains an outer-wear storage closet, a two-piece vanity bathroom, and the stairway to the second level. From the foyer, traffic moves naturally to the right into the rectangular living room. The living room features full-height, front-facing windows and a raised-hearth masonry fireplace. The separate dining room is elevated two steps from the living room, and could be further separated by means of an optional spindle screen wall. The dining room is conveniently separated from the kitchen via pocket door, for privacy and ease of access when serving formal dinners.

The spacious kitchen-dinette and open-plan family room occupy most of the area to the rear of the floor plan. The kitchen is L-shaped with an angular work island, and provides abundant space for two cooks to work simultaneously, and a step-saving work triangle configuration. The dinette projects outward into a glassed-in privacy zone which captures the sunlight. The spacious family room features a second raised-hearth masonry fireplace and a rear-facing patio. A convenient laundry facility and a mud room area are easily accessible via pocket door from both the kitchen-dinette and the side of the house near the double enclosed garage. The garage location may be varied according to individual building site requirements. Access to the full basement is by means of a

stairway from the main hallway between the foyer and the kitchen.

The spacious master bedroom suite faces the front of the floor plan. It features a twin sink vanity counter and a full walk-in closet. The commode and tub are separated from the vanity area via convenient pocket door. Two additional bedrooms are positioned on the second level, accessible via stairway from the main foyer. Each has generous closet storage and good exposure for view, ventilation and natural light.

The rear-facing bedroom has an angular private balcony. The plan shows a shared bathroom for the two bedrooms upstairs, but a minor modification could provide each room with a private bathroom.

The upper level bathroom is a four-piece unit with tub, and separates one vanity sink and the linen storage closet from the tub, sink and commode by means of a space-saving pocket door.

A spacious second-level storage area is conveniently positioned beneath the eaves.

Plans for design No. 82-1740 may be purchased either by the single set, at a cost of \$130.00 for the first set and \$25.00 for each additional set, or by the package. A five-set plan package, including the first set, is economically priced at \$185.00 and an eight-set package, also including the first set, is only \$225.00.

Whichever method you choose please include \$9.00 for postage and handling. Ontario residents please add 7% sales tax.
