### Terra Cotta tackle-testers

Dateline TERRA COTTA: There are still trout in the ponds in the conservation area at Terra Cotta. Some of them are real tackle testers running as much as five pounds.

The small pond known as muskrat pond is tough fishing, as the fish are tackle shy, the large pond known as Wolf Lake is very weedy but contains lots of trout.

Fish these ponds very early or late in the day, and use a minnow imitating lure or live minnows trapped in the lake itself. It is against the park rules to bring live minnows into the park.

**GOOD SUMMER**  
Dateline ONTARIO NORTH: This is shaping up to be the best fishing year in a long time.

The hot weather keeps fish feeding as their metabolism is matched to the water temperature and their food is consumed by the body at a high rate.

The cooler wet weather makes for good fishing also as the fish are more apt to be in shallow water.

Dateline PORT CREDIT: The Port Credit Canadian Tire store is running two charter boats now. Their latest addition is a 32 foot Bayliner, to complement their 26 footer.

The original, the Cantire, plus the new Atlas are fully equipped for charter fishing. "Fin" Townsend of Port Credit Canadian Tire called me last week with the news and gave me the exciting news of their SALMON HUNT JAMBOREE.

The date is August 13th from about noon to 8 p.m. with radio station CJMR on hand from 5 to 8 p.m.

There will be about 72 vendors and suppliers on hand to provide all the latest news and tackle. Brian Donnelly is still captain of the Cantire and will be on hand as a very knowledgeable font of information on salmon and "Bow" fishing in Lake Ontario.

**MYERS M.C.**  
Burt Myers of Ontario Out of Doors magazine is the M.C. of the Jamboree and John Power along with Terry Taggart of the Toronto Star, sponsors of the Great Salmon Hunt will be in attendance.

Lots of fun, interest and excitement sweetened by draw prizes to start the Toronto Star Great Salmon Hunt for 1982.

This year the prize money could be as high as \$1,200,000. That's right, one million, two hundred thousand dollars. The person who catches a specially tagged COHO salmon on SEPTEMBER 18th ONLY will win \$1,000,000 in cash.

Grand prize is \$50,000 and the special Draw Prize is \$40,000. Entry tickets available at the Jamboree and at Canadian Tire stores including Georgetown. Several hundred thousand salmon and rainbow trout along with lake trout and browns are available to the fishery in Lake Ontario.

Well worth the effort as this year could be the best yet. By the way, Brian Donnelly, Captain of the Cantire was out on the lake last Wednesday and landed 12 coho, lost another 7 fish, and netted a 12 pound chinook. He used a Northport Nailer, and a red dodger and blue fly combo.

Dateline LAKE ERIE: The fishing has been hot here and should improve slightly before the fish move to their parent rivers on the American side.

These salmon and trout are on the Canadian side during the spring and summer and head back to spawn in the fall.

Call me for more details, 877-9290 or leave a message at The Herald. More details on the Salmon Hunt Jamboree next week along with my annual listing of charter boats and fishing information.
