Break-ins keeping police busy

By the looks on these faces, there likely wasn't much sleeping done at the Georgetown YM-YWCA daycamp program's overnight sleep-out last week. Ending their two-week session with a camp-out at Kelso Conservation Area in Milton were supervisor Joanne D'Entremont and day campers Tina Trotter, Kelly Thompson, Anne Thurston, Claire Spraggett and Nancy Peel. The girls and their fellow five-to-

eight-year olds had developed some sound summer friendships with weekday gatherings in Georgetown, so there was lots of fun ahead as they settled down under the stars last week. Similar Y sessions continue through August.

Halton regional police are investigating a number of break and enters which occurred Tuesday and Wednesday.

Forcing open the front door, thieves made off with a cash box containing \$100 in small bills from Georgetown's Photorama store on Guelph Street. An unknown quantity of cameras was taken in the break-ins, which occurred overnight Tuesday.

A Mountainview North residence was broken into sometime Wednesday between 8 a.m. and 11 p.m. Thieves forced open the rear door to the house and made off with about \$200 in cash.

Office and medical equipment were stolen overnight Tuesday from a Guelph Street chiropractic clinic in Georgetown. Thieves entered the building through a basement window, moved through the upstairs offices and took a typewriter, stethoscopes, a blood pressure unit, an answering service console and an adding machine. The property loss is valued at \$700.

An unknown person thwarted an attempted break and enter around 12:30 a.m. at the Acton Arcade on Main Street North. The witness saw three people trying to get in through a door and called police. The suspects fled before police arrived.

Drowning at Kelso

A Toronto man who attempted to swim from his canoe to the reservoir shore at the Kelso Conservation Area in Milton Monday afternoon died two days later in a Hamilton hospital.

Farhad Bana, 27, leaped from his canoe at about 4:12 p.m. and was later seen disappearing below the surface of the water by Milton residents Peter and Ilene Atkinson. He was about 20 feet from shore at the time.

Mr. Bana was found in about 20 feet of water by lifeguard David Dakers. Attempts to revive Mr. Bana were successful as he was rushed to Milton District Hospital. He was later transferred to Hamilton General Hospital. He died Wednesday noon.

Christian School teacher bound for Philippines

Margaret Groat, formerly of Market Street in Georgetown, begins a new assignment this month teaching Grades 4 through 8 in Zamboanga City, the Philippines.

MARGARET GROAT

Margaret, who has for several years taught at the Georgetown Christian School, is now credentialled as a Missionary Associate with Christian and Missionary Alliance and will be teaching children from missionary families.

Since 1976, Margaret has been a member of the Georgetown Alliance Church. Members of the church family have been helping her to assemble

appointment first came. These supporters are continuing their activity through letters, prayer, missionary giving and distribution of Margaret's quarterly newsletter.

Margaret recently reported hot, humid weather, busy schedules and keen anticipation as she approached her first class in Zamboanga City. Her work frees many Alliance missionaries to devote themselves to church planting in Manila, the Philippine capital. The Christian and Missionary Alliance in Canada is committing \$1,200,000 toward this effort in Manila.

her outfit for the new assignment since January when news of her

Arrested after car chase, suspects may be thieves

Steven Molody, 16 and James Lewis, 22, are expected to appear in Milton Provincial Court Aug. 9 to face theft and traffic-related charges filed against them by Halton regional police and Guelph OPP.

The two were arrested following a high speed chase early last Friday

morning which began near Erin and ended at the Steeles Avenue-Sixth Line intersection in Halton Hills.

Mr. Molody also faces criminal negligence charges for allegedly trying to run down one OPP constable and trying to shove another's cruiser off the road during the chase.

Having found a shotgun, rifle, stereo system and some Mexican jewelry when the arrests were made, Halton police

suspect that the two may have been involved in a break and enter at a Terra Cotta residence last Thursday.

Pro-disarmament meeting Aug. 17

Inspired by the Ottawa-based Operation Dismantle movement, a pro-disarmament group of concerned Halton Hills citizens describing itself as "small but dedicated" will meet Aug. 17 at 162 Prince Charles Dr. in Georgetown at 8 p.m. Members will discuss plans to have town council include a referendum on nuclear disarmament on this November's municipal election ballots. Anyone willing to help or offer suggestions and ideas is welcome to attend. For more information, call Janet Duval at 877-1994.
