

# Firefighters top team

## Georgetown Post Office hosts fun day tournament

The Acton Firefighters were the winners of the Georgetown Post Office Fun Day softball charity tournament Saturday, beating out Random Car Club 14-7 in the final game.

The Firefighters received the Dave Fishburn Memorial trophy while the Gerald Fendley award went to the runner-up Random team.

Over \$2,500 was raised from the tournament in aid of the mentally retarded, \$400 more than last year's total. The ten-team event is in its eighth year of operation.

Each of the Service clubs who entered gave a cash donation between \$25 and \$215. Nick Ferri

and Rainbow Valley Orchards were also substantial sponsors.

In the first game of the tournament, the Halton Regional Police edged out the Men's Slow Pitch 9-6 while the Acton Firefighters followed with a 9-4 victory over the Georgetown Post Office.

The Referee's Association outmaneuvered the Norval Hockey Oldtimers 13-1 while the Random Car Club fought to a 14-3 win over the Georgetown Firefighters.

The Town of Halton Hills were awesome in their 24-3 romp against the Radical Car Club.

**ROUND TWO**

In the second round, the Acton Firefighters won

19-9 over the Halton Regional Police while the Random Car Club outpaced the Town of Halton Hills 8-3.

In the third round of the

tournament, the Referee's Association went from a bye in the second round to a 7-6 loss in the third at the hands of the

Random Car Club. In the finals, it was the Acton Firefighters defeating the Random Car Club 14-7.

### Red Devils rained out

The Georgetown Red Devils Junior girls softball team were rained out last week on the diamond. Tuesday the girls faced Port Colborne with results not known at press-time.

The past two home dates have been either cancelled or rained out for the girls. For Georgetown, the cancellations will not affect their chances of making the playoffs - the Devils were eliminated from playoffs earlier in the season.

However, some of the teams who still have a chance of making the playoffs may need to play the Devils to decide which team takes the remaining playoff spots.

In Glen Williams Saturday, the Georgetown Post Office held a fun day softball tournament. The Acton Firefighters won the championship, beating out Random Car Club. See here is game action between the Town of Halton Hills and the Radical Car Club.

### Intercounty tennis

In Intercounty 'C' Mixed tennis, the local Gordon Alcott team tied York Old Mill 3-3 in matches last week.

The team of Larry Stanett and Bill Kent combined their skills to rally to 6-2, 6-2 wins while the doubles pair of Jim Taggart and Linda Rice won their match in sets of 6-4 and 6-0.

Isla Allison and Marilyn Serjeantson also won 6-3, 1-6 and 6-1. John D'Allison and Al Adams fought to a loss against their York Old Mill opponents, in scores of 3-6, 7-6 and 1-6.

Ed Reiger and Keith King were also downed 4-6 and 4-6 while Jim Rice and Doreen Thomson were beaten 6-4, 3-6 and 6-7.

### There's still time to REGISTER

for the North Halton Sports Camp

Our hockey program is designed to help a youngster develop his athletic skills, fitness and sportsmanship through physical activities. Our camp is organized to maintain a well structured program with a "fun-oriented" atmosphere. Each camper will be grouped with others closest to his hockey skill and ability.
