

# Rearguard action by Windsor saves 'A' team from loss

**By DR. A.N. KUMAR Herald Special**  
**'A' TEAM FIXTURE**  
 Thanks to a fine rearguard action by A. Windsor and A. Dean for the ninth wicket which saved the day for Georgetown in an away game against Brantford on Saturday in the First Division League Cricket.

Batting first, Brantford were off to a flying start with an opening partnership of 44 runs. The Malik brothers were both out at this total scoring 32 and 11 runs, with N. Samaroo accounting for both wickets.

Brantford batsmen kept going at steady pace and were all out for 110 runs. N. Samaroo and A. Ramnarine each bowled steadily and had four wickets each for 31 and 13 runs respectively.

Georgetown made a disastrous start with S. Jahoor being run out without scoring and T. Narine out for 4. C. Samaroo was next out bowled S. Bakshi for 1, making 12 for 3.

However Skipper R. Mongru and A. Ramnarine batted steadily and pushed the score along to 42 when both the batsmen were dismissed sending Georgetown score to 42 for 5. R. Mongru contributed 22 while A. Ramnarine added 14.

Next three Georgetown batsmen went in quick succession, N. Samaroo (7), K. Morgan (zero) and B. Ramrattan (5) being the victims and Georgetown were heading for a certain defeat. However A. Windsor and A. Dean had their own plans and fought with grim determination.

They batted out the last 14 overs frustrating all Brantford bowlers while pushing the score from 56 for 8 to 63 for 8. A. Windsor with three and A. Dean with five carried Georgetown to a drawn game. Georgetown 'A' complete their last match with an away game against Oakville on Aug. 29.

**'B' TEAM FIXTURE**  
 While Georgetown 'A' are struggling at second from bottom position, Georgetown 'B' are fighting to win the 'B' Division championship. Playing against Guelph University on Sunday, Georgetown were robbed of a victory by weather.

The game started in drizzling condition and was finally abandoned as a draw after 36 overs

## Hornby squirt softball

Continued from page B1 scored by Heather Speck, Wendy Brunelle, Nicole Dupuis, Angela Andrews, and Kelly Stewart.

The Hornby Girls had their year end party and were presented with beautiful club bags with the Hornby crest on them. Coaches Barry Harper, Beth Harper and Bryan Lewis, received engraved mugs from the girls, a lasting memento of the good year of ball the girls had.

Completing their most successful season, the girls collected an individual trophy for finishing first in the league, plus the St. John Team trophy; a plaque from the HRSA for play-off champions, and the Elmer Fendley Memorial trophy for winning the consolation championship in the Hornby Tournament and

Land use has moved the world into a new era of total international dependency.

were bowled. Guelph batted under these conditions struggled to 58 for four wickets. Skipper S. Bachus was not out with 29 for Guelph U. Georgetown pace bowlers A. Windsor, N. Samaroo and L. Moolchan bowled 29 of these overs on an unresponsive wicket.

A. Windsor got 1 for 15 while N. Samaroo returned with one wicket for 12.

There were two 'run-outs'. Thus Georgetown 'B' had to settle for a drawn game and will play against Hamilton away on Aug. 28 with two more matches remaining after the next game to finish the season.

Georgetown are in the Second position with 110 points behind Cambridge who lead the Smythe division with 119 points.

also a plaque for being the consolation runners-up in the Clarkson Lorne Pak Tournament.

Silverware provides a lasting memory of fun at the Squirt ball level, but from the coaches view it was a pleasure to see the girls ball skills develop, the girls grow into young ladies; have a care and

concern for their teammates, and show appreciation to coaches and parents alike.

Coaches Harper and Lewis pass along their "thanks" to the girls for a fun summer of ball, and to Mom and Dad for having the girls play in the Hornby Minor Ball Program.

The 'B' Cricket team of Georgetown are fighting to win their league championship while the 'A' team are struggling
