A Tale of Two Families...

"WHAT WE DID LAST SUMMER"

The Smith Family: Cottage Owners

- We spent 6 hours every weekend fighting traffic driving back and forth to the cottage...
- We took out a second mortgage on our house to finance our cottage...
- We worked most weekends...cutting grass, painting, making repairs, doing odd jobs
- We spent \$500 fixing our dock...
- Many weekends we stayed inside...out of the rain...
- We don't go up much in the winter.
- We've got lots of room.
- We're thinking of selling the cottage.

The Jones Family: RV Owners

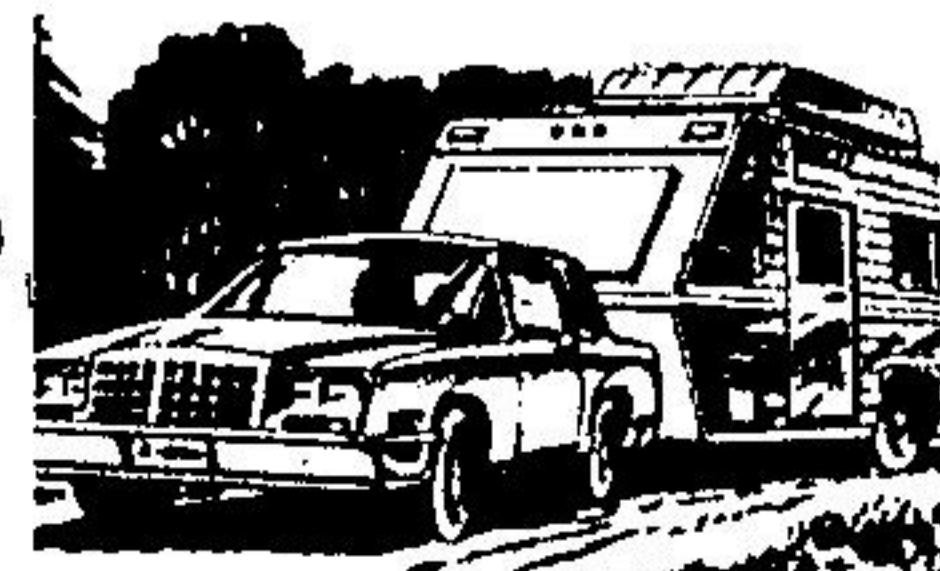

- We hopped in our trailer and went where we wanted, when we wanted...
- We spent less than \$9000 for our RV...
- We spent a lot of time meeting new friends, relaxing, swimming, seeing new places...
- Our "easy-maintenance" RV only needs an occasional wash...
- We follow the sun...
- We take our RV to Texas in February...
- So do we!
- We're looking forward to many more years of happy trailering...

Think about it...RV's make for better holidays!
