Falcons need to win against top contenders

Senior Falcon coach Sam Inglis still says it's the inability of his team to beat the contenders that is the main problem hurting his club thus far in the season.

The Falcons are in third place with a 3-5-2 record after tying Burlington City 1-1 in Georgetown Sunday.

Burlington are in second place in the second division of the Toronto and District Soccer League while Georgetown have dropped from second to third spot.

Under hot and humid conditions, both teams were affected by the heat. Doug Chapman

scored the lone Falcon goal.

Coach Inglis had words of praise for Doug Thompson, sweeper Blackbourne and Steve Robbins.

"We had more chances to score, but Burlington were perhaps a bit better," Inglis said "Maybe we were trying too hard."

The Falcons have three more games remaining in the regular league schedule, their next an away game September 23 against the Canadian Serbs.

Two home game dates follow: September 26 and October 4 at Cedarvale Park in Georgetown.

Halton Hundred: Only for the crazy cyclists

On September 19, 1982 the Ontario Cycling Association and the Home-ward B. Twinklebone Bicycle Touring Society proudly present their 7th annual Halton Hilly Hundred, an epic bicycle tour up, and unfortunately down, Halton's steepest hills and mountains!

This tour, a mere 100 nautical kilometers (70 miles or more) in languishing length, is dedicated to the truly advanced cyclo-masochist, a rapidly vanishing breed (they wear out fast!).

The "Halton Hilly" starts at the Burlington Heights Centre, Guelph

Line in Burlington, about one kilometer north of the Queen Elizabeth way, at Upper Middle Road.

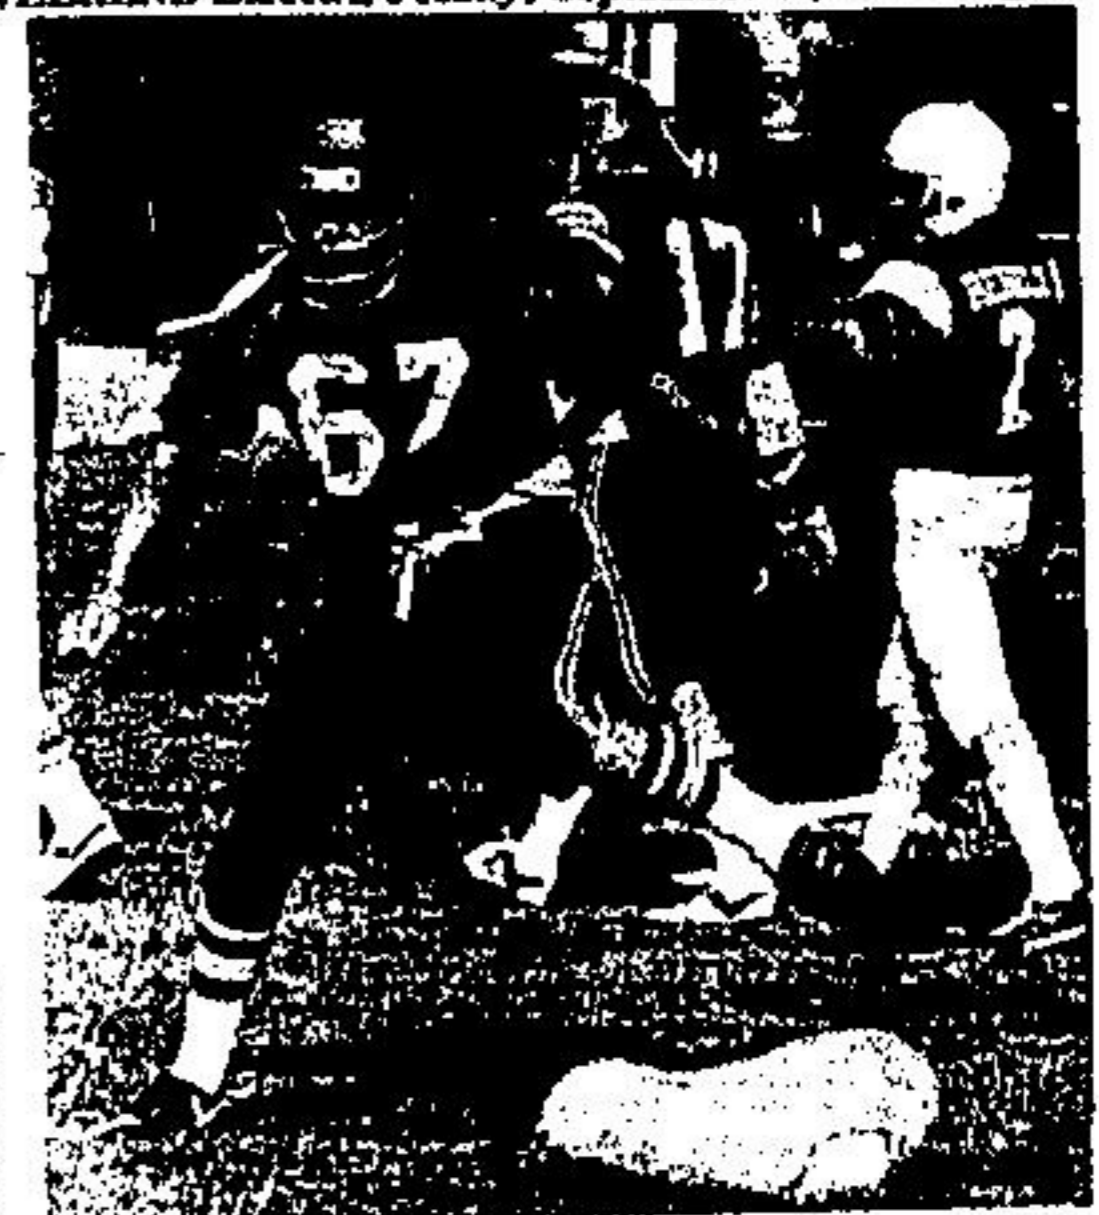

Registration starts at 9:30 a.m., the ride starts at 10:00 a.m.

The registration fee of \$4 per person includes a genuine route map (you can't get lost without one of our maps!), third party insurance, a first class picnic lunch, insults galore, and a pailbearer service!

As an added bonus, each rider managing to finish the course is eligible for immediate interment in the Halton Home for the Cycling Insane!

Remember! There's NO Sag Wagon on this tour and no Bicycle Repair Shops along the route! Just you, your two-wheeler, and the open road!

If you're crazy enough and strong enough to pit your muscles and your machine against the uncompromising Niagara Escarpment not once, but four times, join Ontario's largest collection of wheel nuts September 19 between nine and ten in the morning, at the Burlington Heights Centre, Guelph Line north of the Q.E.W. in Burlington.
