By JACK HARLOW  
Herald Special  
Georgetown Rebel runners, Ontario's defending high school cross country champions, opened their season with a win at the University of McMaster in Hamilton last Saturday.

The Rebels claimed the overall title at the meet winning the girls' division and placing second in the boys'. Both were open age divisions and had few participants.

## Field hockey girls off to good start

By PAM DOUGLAS  
Herald Correspondent  
The Junior and Senior girls field hockey teams from Georgetown District High School did their new uniforms proud last Thursday by claiming their first victory of the season over Leaster B. Pearson High School.

The Junior girls won 1-0. They were playing against girls more experienced in high school competition.

The single goal, scored before the end of the first half, was attained by Lisa

Marsh. The Seniors proved to be a well-balanced team with Elaine Hughes and Lorelea Jefferson each scoring a goal and Denean Jones gaining two for a final score of 4-1.

Three of the four Georgetown goals were made during the first half, while first-time goalkeeper, Pam McMeekin, played well for Georgetown.

"It was a strong start for both teams," commented Ruth Peden, who coaches the teams

along with Paul Wren and Bill Smith.

The teams have a few "finer points" to work out as they reach for their goal to do well in the Halton finals, which they won last year.

Mrs. Peden feels that the teams' main competition in the Haltons will be Lord Elgin High School.

Both teams are shaping up well and are ready for their next game on September 23 against Central High School.

### Georgettes lose final

The DRG Stationery Georgettes of the Intercounty fastball circuit were downed three games to none in the league's championship final last Wednesday.

A 6-1 loss against Hillsburgh in the third game signaled the end of the season for the Georgettes.

As in the second game of the series which ended 5-1, Gail Harlow scored the Georgetown ladies' only run.

The season was the best the Georgettes had managed in recent years.

## Mariners couldn't pierce Meteor White

What do California Angels, Denver Broncos and Meteor White have in common? Fortitude, never say die spirit and will to win down to the last few seconds of play, that's what. The Angels were down 1-6 to our beloved Blue Jays and came back to win 8-6 on Saturday keeping them in contention for their division title. The Broncos were always behind San Francisco 49'ers, that is, until three seconds left to play, when a field goal gave them victory by three points on Sunday. Closer to home Meteor White were 1-3 down to the Ancient Mariners halfway through the first half in the first leg of their semi final. White fought back

to take the game 4-3. In the second leg they carried on where they left off and raced into a 2-0 lead. Hard though the Ancients tried they could not pierce the White defence until seven minutes from the end, and did so twice.

An exciting finish to the match and the 2-2 tie gave White the entry into the final by a margin overall of 6-5. A missed penalty kick by the Mariners and a marvellous display by the White goalie, Rick Grabonsal was all the difference between the teams at the end.

**INTER COUNTY**  
In the other Inter County semi final Eagles gave all they had in attempting to overcome a two goal deficit from the first leg. Meteor Blue looked to have it all sewn up with the first goal of this second game, and another later gave them a four goal margin. With only 10 or so minutes remaining Eagles came back with a two goal burst to draw level in the match, though not the tie, which Blue won by 4-2. The final is this evening at 8:45 p.m. at Cedarvale, drawing the Inter County season to a close. The game is preceded by the second division final between Butcher and Bracken or Pineview. Bracken and Pineview squared off in their second leg on Monday for the right to meet Butcher carrying a 2-2 tie from the first leg. Trophies for the league championships of both divisions are being presented after the first match to Butcher (second division) and Ancient Mariners
