Cup finals on Saturday,
September 25, Major
Mosquito 9:00 a.m., Min-
or Mosquito, 12:00 noon at
Cedarvale, large field.

The new angels were the bantam league champions. All day Saturday, girls soccer teams

competed in their first-ever Day of Champions at Nelson's Field.

Team signs nine players

The GEMS go into their season opener Sunday, September 26 against the league champs, Oakville Blades with a 0-2 exhibition record. The first game was well covered in the newspapers last week. Friday night the GEMS travelled to Welland.

They spent the first period loosening up from the bus ride and were behind 5-0. However, over the last two periods they out-scored Welland 3-2.

So far nine players are signed: Mike Tibbets, Paul White, Bob Davey, Brad McMeeken, Peter Haller, Mike Steer, Benny Beckett, Rivi Kennedy, and Kevin Frank.

Gemini Report

Tibbets, McMeeken, Steer and Kennedy return from the 1981-82 GEMS. White, Davey and Beckett move up from the Georgetown Juveniles.

On Sunday the 19th ten new players were out to practise and when sent out as a team against the 'oldtimers' in scrimmage, looked good. Coach Bob Smulders was smiling at the end of the evening!

There are two opportunities to get together with the new GEMINI players and executives, in October. October 1st is the third Annual Golf Tournament. This great day has increased from 70 to 90 players in the past and we look for as many this year.

This year it will be held at the Georgetown Golf and Country Club. First T time at 11:00 a.m. Phone Bob Tost at 877-4733 or Dean Taylor at 877-4086 for a reserved time and/or information.

The second event is the umpteenth annual Oktoberfest on October 16th at the Elk's Hall. With the John Kalsor group imported all the way from the heart of Oktoberfest land, Kitchener, and several kegs of the stuff that makes everyone German for an evening. This is always a great night.

Advance tickets are available from the GEMS and executive. The Elk's Hall is not as big as Kitchener's Main Street so do get your tickets early.

Karate club

continued from Page 8

"It takes a while to learn things. You can't be hard on your students," he says.

After a while everyone at the small club knows each other and the karate

group enjoys the social aspect.

But his students know that while classes are on they must be serious and hard work is mandatory.

Eugene was involved in the Georgetown Fall Fair festivities.
