The trophies were in abundance at the Optimist Cross Country Invitational held Saturday at Cedarvale Park. Schools from Georgetown, Acton and surrounding communities competed in an interesting course around the perimeter of the park. It was a chore for the Optimist Club to keep the meet organized, but the service club has to be commended for the fine job they did. (Herald photo by Paul Dorsey)

Flamboro ousted 3-1

By SID HARRIS
Herald Special

"Oh, what a sorrow, if you come from Flamboro, to meet our team in black, when they come out to attack".

Last Thursday's season home opener was another fast skating affair with our boys sending Flamboro down to a 3-1 defeat.

All four goals were unassisted efforts. John Loris scored once in the first period, then added a power play goal in the second after Flamboro had tied the score.

Jeff Brady put in the insurance marker late in the second period. Despite what the stats might

imply this was a good team effort and pleasant to watch.

Unfortunately, Saturday's away game against Chinguacousy was completely flat and frustrating for our boys. The positional play and aggressive checking that was evident in the first two games had disappeared. As usual when things are going tough the puck always seems to bounce the wrong way.

Georgetown opened the scoring in this game when Dave Harris knocked in a power play rebound from a point shot by Peter Atherly assisted by Trent Burton.

Ching came back with a goal in the second period then added the winner in the third.

Georgetown has a rematch with Ching this Thursday at home. Coach Paul Morrow assures me the results will be reversed.

John collects a hat trick

By CLOVIS ROY
Herald Special

Saturday October 9 was the Sunny Acres Major Midgets 1982-3 home opener debut, but they came up on the short end of a 3-0 score against Burlington.

It was a good close-checking game and Burlington led 1-0 until the third period when they exploded for two goals in 12 seconds.

The next night the Major Midgets sought revenge and exploded for a 10-4 victory against Oakville. It was a good offensa-

ive outing with a hat trick going to John Hodgson, Derek Roy connected for one goal and three assists.

Jay Anderson had two goals and one assist.

Georgetown won again Saturday October 16 in an away contest. The Sunny Acres team had an easy time in this game with seven players sharing in the scoring.

Flamboro took a lot of penalties in the third period. Mike McNiven recorded the shutout.

The next night against Chinguacousy the locals

again blanked their opponents, this time 8-0.

Taking only four minor penalties in this outing, they controlled the game throughout. Strong performances came from the line of Webster (three assists), Anderson (two goals) and Smith (one goal and two assists).

Strong checking from Rich Ward and Wayne Morrow kept the opposition off balance.

Mike McNiven had another good game in goal to post his second shutout in as many games.

Ladies basketball

In Georgetown ladies basketball action Wednesday night, the Trojans ousted the Centaurs 58-27 while the Mustangs dumped the Capricorns 45-36.

Leading the Centaurs in their contest against the Trojans was Samantha Reed with 20 points followed by Nancy Short-hill with five.

Sue Tesar netted 20 points for the Trojans while Lynn Cartwright

found the mark for 10 points.

Both June Nicholson and Leslie Ashton had eight points in the game for their Trojan team.

Kyra Kristensen-Irvine helped out with the Mustang victory, scoring 10 points. Alice Ogden found the mark for 14 points.

The Capricorns had good performances from Lorraine Brown (eight points) and Corrine Buisman (six points).
