Rebel team defends eighth Halton crown

By JACK HARLOW
Herald Special
The Rebel cross-country team won the Halton County Championship last Wednesday at Kelso for its eight consecutive year.

In addition to claiming the overall school title, Georgetown was first in both the overall girls' and overall boys' categories and took four firsts and two second places of the six team divisions.

Two Rebel teams, the senior girls and midget boys, had perfect scores of ten points (where runners from one team finish in places of first, second, third and fourth). There were also three individual winners from Georgetown.

Susan Kristensen placed first in the senior girls race, Mike Wood took the medal in the midget boys race and Erik Hopkins won the junior boys race.

The fields of runners were very small at Halton's and the competition wasn't nearly the calibre as at some meets held earlier in the season in Toronto.

The Rebels did prove however that they are still the best in Halton County taking home 23 of a possible 36 medallions awarded.

POURING RAIN
All races were run under very windy conditions while some were also run in the pouring rain.

In the midget girls race of 22 competitors, Nancy Mustard led the team to victory with a solid second place finish.

Also contributing toward the team's win of 15 points was Amy Powers placing a strong third.

Anne Coulligan was next, in fourth place followed by Sandy Heaton in sixth, Linda Wenham, Laura Groskorth, and Michelle Barnard came in for positions of tenth, 11th and 12th respectively.

Heidi Buykes was 16th and Whitney Grelg placed 20th.

The junior girls team met strong competition from Nelson, high school who won, totalling 18 points. Georgetown took second place scoring 31 points, 25 ahead of Milton in third.

Lynn Macphail was the first Rebel runner to cross the line in the race which featured 33 runners, by placing third.

Fiona Heaton came in for fifth and Shawn Langdon placed ninth. They were followed by Kelly Roe, 14th, Karen Pepper, 16th, Paula Hansen, 21st and

Anne Ramsay, 25th. **KRISTENSEN FIRST**
In a classic race, Susan Kristensen led the senior girls through the pouring rain to a perfect ten-point victory, by placing first.

Sandra Marclniuk followed in second place in the race containing 19 runners. She, in turn was followed by Debbie New-

man, third, Kim Newcombe, fourth, Jen Pepper, fifth, and Cheryl Thompson, seventh. The girls' score of ten points obliterated second place Nelson's which was 39 points distant.

The midget boys also turned in a perfect score of ten points (calculated by adding the positions of the first four runners) as

they finished in positions of one, two, three and four.

Mike Wood was the first runner of 55 to cross the line, winning the race in a time of 19:06. Pat Braund placed second, Greg Mackenzie was third, and Darren Boudreau came fourth. Also running were Norm Macphail in 25th and Graham Shepherd finishing 30th.

Milton was the second place team, trailing unthreateningly by 42 points.

HOPKINS FIRST
Erik Hopkins was the third individual Georgetown winner of the day as he led his team to victory, placing first in the junior boys race.

A runner from Mississippi placed second and spoiled a possible third

perfect score for Georgetown, as the next three positions went to Rebel runners.

In the race of 41 runners, Chris Ferguson was third, Paul Watts was fourth and Dave Banks came fifth. Following were Ken Hesse, tenth, Nick Parker, 21st, and Dan Stewart, 29th.

The senior boys course, which was allegedly 8000 metres, was in actuality about a half mile further in length than that which was reported.

SENIORS SECOND
The senior boys team had their best placing yet this year, taking second in the standings behind a team from Nelson.

As most Georgetown teams did, the senior boys had their first four runners among the top ten positions, which wasn't quite enough, since Nelson also had four

runners in the top ten (with their first two runners placing first and second).

The Georgetown team was without the services of one of its top runners, Scott Harris, who was, at the time, recovering from walking pneumonia.

Stacey Wheeler was the first Rebel runner to cross the line in the race of 38 competitors, placing fifth. Behind him came Harald Bransch in seventh and Jack Harlow in eighth. Bob Lovegrove, a first year junior ran very well, placing tenth.

Following were Gary Britton in 23rd and Dalton Newcombe, recovering from an injury, in 36th.

The Rebels are at Heart Lake Conservation Area today (Wednesday) defending the title they have held as Peel-Halton champions for seven consecutive years.

Powerful Blakelock wins

By PAM DOUGLAS
Herald Correspondent
T.A. Blakelock came on strong last Friday in their game against the Georgetown High School senior football team.

Blakelock, a very powerful team, returned the opening kickoff on a fake return for a touchdown. They then made a short kickoff and recovered the ball, scoring another touchdown.

"In a very short period

of time we were down two touchdowns," said Rebel coach Mr. Bingham, and

the score would indicate. He said the Rebels played well and their offence

played better than they have this year.

At half time the score was 18-0 and in the first few minutes of the second

half Blakelock scored another touchdown.

There were a few bright spots in the Rebels' offensive play. At one point they were down to the four yard line, but the officials called a recovered fumble in Blakelock's favor. The Rebels say that it was not a fair call. Georgetown has been on a losing streak so they want to win next week's game against Perdue and there is a chance that they will, said coach Bingham.

"The team has been playing a little better. They got tricked on a couple of things," he said, but lack of experience compared to other teams is a major factor.

The Rebels' last game against Perdue was a 19-12 loss for Georgetown.

High school sports

Field hockey girls quash Perdue 2-0

By PAM DOUGLAS
Herald Correspondent
In their last game prior to the semi-finals and finals, the senior girls' field hockey team from Georgetown High School quashed Perdue 2-0.

The game went scoreless for the first half. Denean Jones then scored two goals in the second half to shut out Perdue.

The Rebels were successful in the semi-finals and finals last Wednesday in Oakville and they went on to the Halton Championships which were held Monday against Perdue.

Their first game on Wednesday was against Lord Elgin. The Rebels knocked them out 2-0. Michelle Richmond made one goal on a penalty corner and Denean Jones added the other.

Georgetown coach Ruth Peden thought one of the likely contenders in the finals would be M.M. Robinson, but Robinson was checked by Assumption. The senior Rebels then trounced Assumption 4-0.

Georgetown made three "fantastic" goals in the first half of their game against Assumpti-

on. "They were playing excellent field hockey," said coach Peden. The scoring came from the entire team, and everyone assisted, she said.

Elaine Hughes and Roberta Burke each put one in and Denean Jones, assisted by Loralea Jefferson and Linda Goulden, made two goals.

The juniors experienced a different kind of victory Wednesday.

They were slotted in with senior teams because there is no junior league in the county. They lost to T.A. Blakelock and M.M. Robinson.

In both games the junior Rebels came close to winning, and that, said coach Peden, was their real victory.

T.A. Blakelock scored an early goal, taking the first game 1-0.

M.M. Robinson beat the juniors 2-0. Rebel Pam McMeekin in net stopped a penalty flick against her and the team scored a goal which was disallowed. It had been shot one inch outside the circle.

Coach Peden said the junior girls have good skills and this was the best game they have ever played.

Anybody's game

It was anybody's game as the Georgetown High School junior girls' basketball team met Oakville Trafalgar in a home game last week.

The score was close throughout the game, but the Rebels were eventually outmaneuvered 45-41.

Georgetown's Kelly Gordon and Michele Kees contributed 21 and eight points respectively, but the Rebels' weakness proved to be foul shots. They missed 18 out of 25 fouls during the game.

They all worked very hard, said Rebel coach Mrs. Spina. "They gave it their all!"

The Rebel team practises every night Monday to Friday and they are now focusing their attention on improving their foul shots in preparation for their next game.

The Rebels will gain more practice this Saturday when they attend a tournament in Acton.

Welcome curlers!

By JOAN SHAPCOTT
Herald Special

Welcome curlers, new and old. We are back at it again for another season.

This past week started off with the Day Ladies holding open house on Tuesday and Thursday p.m.

It seemed a lot of us did not keep in shape over the summer. There were a lot of grins and groans.

The Business Girls held their open house last Wednesday evening and we welcomed some new curlers. The Business Girls competitive team consisting of Peggy Darmody, Sharon Wood, Patti MacLaren and Joan Trimble were active this weekend.

They attempted to qualify for a spot in the Toronto Major League defeating St. Catharines, but lost out to Dixie and Humber Highland.

The Mixed Schedule got under way on Friday night with draws at 7:00 p.m. and 9:00 p.m.

Sunday we held a Curl Canada Clinic for beginners as well as brushup instruction for 1-2 year curlers.

Eighteen attended the clinic and things ran smoothly. A special thanks to Julie White for putting it all together, and to her helpful instructors Doug Collison, Joan Shapcott, Mary Black and Shirley McDermott.

The full schedule gets underway this week with the Men's draw on Monday night and men's competitive on Tuesday night.

The Day Ladies draw will start this Tuesday and Thursday afternoon. The ladies competitive will be holding a meeting and team practice on Tuesday morning.

The Juniors schedule begins on Sunday at 1 p.m.

Upcoming dates to watch for are the Men's Get Acquainted Bonspiel on November 6 and the Battle of the Sexes on November 12, 13. The sign-up sheets are posted, so let's go guys and gals. Success is participation.

A final note to make my job easier. Please let me know when you are participating in Bonspiels outside, as we all want to read of your success, and better yet, fun! Call me at 877-8624.

They're Here! The 1983's

A three-wheeler that turns work into play. On the farm it'll handle many chores you'd use a pickup for, but at a lot less expense, and with a lot less hassle. On days off, the KLT lets you take on sand dunes, open fields and trails that would stop a four-wheeler. Part of the KLT's fun-loving utility is in its exclusive features. Like electric starting. The easy-turning Dual-Mode Differential that won't tear up top soil, yet still gives you stumping pulling traction. And the rugged four-stroke engine that delivers locomotive torque through a tough manual clutch.

Unbelievable low, low prices!
