

Sports Camp Minor Pee-wees outmaneuver Streetsville

By JOHN FELCE
Herald Special

On October 26, the North Halton Sports Camp Minor Pee Wees hosted the squad from Ching.

Georgetown proved to be very dangerous playing a man short as the visitors gave up three short-handed goals in this 6-2 win.

The locals and the visitors exchanged a goal in the first period. Georgetown added two more in the second - one short-handed.

Ching scored early in the third period to make the game a close 3-2 but Georgetown netted a pair, within 28 seconds with a man in the penalty box to end Ching's rally.

The visitors' netminder was beaten three more times before the final bell.

Doug McDermott registered two goals and two assists while Andrew Hoddinott tallied twice. Scoring once and assisting once were Brent Presswood, Chris Stoddart and Alan Giray. Adam Bennett also netted one.

Assisting on single scoring plays were Cameron Herman, Mike Wilkins, Doug Kent, Travis Gardiner and Stuart Vogt.

October 30 was a perfect night for Halloween's hockey - Streetsville's

orange against Georgetown's black.

Playing in the Vic Johnson Arena was a real treat for Georgetown's shooters who scored 13 times.

The trick for the home team was to manage a single shot on goal, which they did late in the third period.

Streetsville was totally outmatched in this contest but to their credit they tried their best throughout the game.

Georgetown scored five times in both the opening and closing periods and added three more in between in this 13-0 shutout.

Adam Bennett registered the first hat trick of the season and added one assist. Steven Southerland and Doug Kent popped in a pair each.

Other game statistics: Stuart Vogt (1 and 2) Chris Stoddart (1 and 1) Mike Wilkins (1 and 1) Brent Presswood (1 and 1) Travis Gardiner and Andrew Hoddinott rounded out the scoring with one marker each.

Cameron Herman and Doug McDermott assisted on one scoring play.

Unfortunately for the black, red, and white, who put on a good display of passing, only a few assists were awarded by the referee.

Atom 2s oust Milton

by FRED MOORE
Herald special

The Atom Tier 2 team made consecutive trips to Milton this weekend.

On Saturday morning they met Milton and orchestrated a 3-2 win. Sunday's match was similar in play, but our team managed a 4-0 win giving Ron Desrosiers a well

deserved shut out.

Hockey teams develop their winning ways by building on their strengths and improving their weaknesses. The Atom Tier 2 team has begun the process of developing their style (winning ways). They are strong fore checkers and back checkers. They play their

positions and work the puck into scoring position.

All players have sound skating and puck handling skills. The two games this weekend were indications of a well disciplined cohesive unit.

Every player on the team deserves a mention in the paper so if you are reading this article, keep up the good work, parents you can keep up the good work too, the team appreciates your support at these away games.

While the team is dis-

playing, you might say mid season form, let's not forget the season has just started. So far, so good is the best way to describe our effort to date.

Tier 2 Bants win 5-1

By DEE BUTWELL
Herald Special

In their first league game of the season, on October 25, the Bantam Tier 2 hockey team recorded a 5-1 victory over Milton. Strong forechecking and each team member playing very well resulted in the impressive win.

Scott Campbell, unassisted, led the scoring for Georgetown in the first period. Then Mike Chiochetti scored 35 seconds later, assisted by Jamie

Spiller, making it 2-0.

In the second period Neal White connected, after a pass from Mike Hurley. Jim Manning continued the action by putting the puck away, aided by Mike Tyler.

Mike Hurley, unassisted, earned goal number five. The very frustrated Milton team picked up their only goal, at the end of the second period.

Milton pressed hard during the third period, but Georgetown contin-

ued to skate hard, and kept their healthy lead.

The Tier 2 Bantam players are: Chris Pearson, Garry Butwell, John Rogers, Scott Campbell, Jamie Spiller, Mike Chiochetti, Mike Ross, Mike Hurley, Neal White, Craig Nicolucci, Jeff McIvnen, Mike Tyler, Jim Manning, Rich Chiochetti, Heath Lockhart, Mike Hunter. Our reps lose to Burlington

By SID HARRIS
Herald Special

What started off as a rather undisciplined, get in your buddy's way, type of play actually turned out to be a good game.

We weren't quite good enough however as Burlington came out on top 4-3.

The slow start and two goals by Burlington when they were shorthanded had us fighting back from 2-0 and 4-1 scores.

The great thing about this team is that they won't give up. Despite missing two regular players our play improved steadily during the game until the spectators were watching end to end hockey by both teams in the third period.

John Loretto scored one of our own short handed goals in the second period.

It was one of his patented goals from the right hand circle high into the left hand corner.

Burlington added two goals in the third period before we came on with our two.

Alain Thibault put one in after some good pressure on our part then Ken Langdon narrowed the score to 4-3 with two minutes to go.

In the last two minutes there must have been three or four good chances to tie the score and it was an exciting finish. John Loretto, Mark Shepherd, Dave Harris and Donnie Cruise earned assists.

Roger Alchin the only new player on the team had his best game of the year at his defensive position.

On Sunday night against Streetsville our lads completely dominated the game and came away with a 2-0 win. In fact the opposition was not up to a level of play we have come to expect out of Streetsville. The first period went scoreless and it was late in the second when Jason Arnold tucked one in from the side of the net, assisted by Mark Shepherd.

Early in the third period Alain Thibault got one by on a scramble play in front on the net assisted by Jeff Brady and Ken Langdon.

A couple of posts got in the way of some additional scoring plays. At no time was our team under any real sustained pressure. It now appears that our lads are capable of winning against any team in their league.

Rep Bantams play two-way

Georgetown Major rep Bantams outdistance Streetsville 4-2 in an away game Sunday night.

According to coach Barry Insoce, the team played a solid two-way hockey game with nothing fancy except hard work and maturity showing through.

The team worked well together with no real individual stars, coach Insoce said.

Georgetown had a 2-0 lead in the first period from goals by Mike Teetzel and Jeff Sholdice. Assists were awarded to Mark Pries, Jon Hammer and Dave Bertrand.

After a scoreless second period, Streetsville got a goal at the 9:49 mark of the third period.

Georgetown retaliated 20 seconds later when Lois DePaoli scored from Mike Teetzel and Dean Irvine.

Teetzel then added another for the local Bantams assisted by Mark Pries and Graham Shepherd.

Jeff Sholdice scored his second goal of the game when he picked his target from Mark Pries and Mike Teetzel.
