## YBA means fair play and teamwork

The YMCA will be offering its YBA (Youth Basketball Association) program for the fourth year starting January 13th - April 16th.

This program is designed for boys and girls between the ages of 8 to 10, Junior League, and 11 to 13, Intermediate League. Some of the aims of YBA are to teach values of fun, fair play and teamwork; teach basketball skills; provide challenge in a healthy, competitive atmosphere; and develop adult volunteer leadership.

The Junior League will be held on Friday nights at St. Francis School and the Intermediate League

will be held on Thursday nights at Joseph Gibbons School. The strength of this activity is founded on volunteers.

As a volunteer you will help players with encouragement; teach basketball skills and above all contribute to the growth of YBA players and our community.

YBA has a capacity for 120 boys and girls. Based upon previous registration results, the local YMCA would encourage interested parents to come to the Y office as soon as possible to register. For further information contact the YMCA at 877-8162.
