This is the beautiful King Koil "Posture Bond" collection advertised by other Ontario retailers at double the Brown's low price. All have multi-quilted-to-resilient foam floral print covers with the exclusive posture bond Lustralon ticking, extra layers of foam and insulation for added comfort and durability. 312 coil 6 turn spring construction that's 1 1/2" thicker than conventional mattresses and 24-side supports to prevent sagging edges. The matching box spring has the exclusive patented Lectro Lok construction designed for proper support and to extend the life of your mattress. Both the mattress and box spring feature multi-quilted-to-foam borders for extra strength and stability. Never so much quality... never so much comfort at such a low Brown's price. Order the size you need today!
